FOREWORD

This publication sets forth all of the requests made by the Hawaii State Legislature during the Regular Session of 2014 to agencies and officials of the federal, state and county governments and of quasi-public and private agencies. These requests are contained in acts enacted by the Legislature or bills passed, but which have yet to be approved by the Governor. These acts or bills include specific requests for submission of information back to the Legislature, excluding annual and other reports requested on an indefinite basis. These requests are also contained in resolutions adopted by the Senate or House of Representatives or by the whole Legislature. Dates by which reports and other responses are expected are indicated when specifically set by the Legislature. The names of the agencies involved in the conduct of a study or the execution of a request are underscored.

For the reader's convenience these legislative requests are also grouped together by agencies (see agency index); as well as by subject matter (see subject index).

Standard abbreviations used in the text are:

SB	-	Senate Bill
SCR	-	Senate Concurrent Resolution
SD	-	Senate Draft
SR	-	Senate Resolution
SSCR	-	Senate Standing Committee Report
HB	-	House Bill
HCR	-	House Concurrent Resolution
HD	-	House Draft
HR	-	House Resolution
HSCR	-	House Standing Committee Report
CD	-	Conference Draft
CCR	-	Conference Committee Report

An asterisk (*) preceding a measure number denotes that there are minor differences between similar measures that are grouped together.

The word "filed" appended to certain committee reports denotes that the committee report is separated from the bill.

Charlotte A. Carter-Yamauchi
Acting Director

ACT 1

HB 2353, SD1

AIRPORTS, SECURITY EXPENDITURES. Requires the Department of Transportation to submit a report on:

- (1) The security expenditures at each state airport during fiscal year 2013-2014, including a detailed breakdown of those expenditures;
- (2) A detailed breakdown of the expenditures of the security funds that were used by the department for other purposes during fiscal year 2013-2014, including baggage handling and security contract information, which created the shortfall and thus the need for the emergency appropriation in this Act; and
- (3) An explanation of the purposes for each expenditure

to the Legislature no later than twenty days prior to the convening of the Regular Session of 2015.

(HSCR 87-14, SSCR 2191)

ACT 5

SB 2175, SD2, HD2

INDUSTRIAL HEMP. Requires the Dean of the College of Tropical Agriculture and Human Resources at the University of Hawaii to submit a final report, including any proposed legislation on:

- (1) The rate of contamination uptake from soil and water;
- (2) The mode of efficient uptake from soil and water;
- (3) The rate of carbon fixation in the Calvin cycle;
- (4) The locations in the roots, stems, leaves, and flowers of the plants at which contaminants are fixated;
- (5) What contaminants are stabilized in the plants;
- (6) What contaminants on the site need additional treatment in order to make the soil or water healthy and pristine;
- (7) A baseline for plants cultivated in a clean soil;
- (8) The viability of industrial hemp as a biofuel feedstock; and
- (9) Any other data deemed important by the Dean

to the legislature no later than twenty days prior to the convening of the Regular Session of 2016.

(SSCR 2373, 2531, HSCR 1205-14, 1527-14)

SB 632, SD2, HD1, CD1

ENVIRONMENTAL COURTS, IMPLEMENTATION OF. Requires the Judiciary to conduct a study to determine the number of environmental-related cases filed in the circuit courts in each of the past five years and report findings to the Legislature no later than twenty days prior to the convening of the Regular Session of 2015.

Further requires the Judiciary to prepare a report describing the implementation of environmental courts, including any further legislation that may be necessary, to the Legislature no later than twenty days prior to the convening of the Regular Session of 2015.

(SSCR 2339, 2586, HSCR 974-14, 1170-14, 1643-14, CCR 101-14)

SB 2054, SD3, HD3, CD1

AUTISM, INSURANCE COVERAGE FOR. Requires the Insurance Commissioner to contract for the performance of an actuarial analysis by a licensed actuary who is a member in good standing with the American Academy of Actuaries of the projected costs of providing insurance coverage for screening, diagnosis, and treatment of autism spectrum disorders.

Requires the actuarial analysis to:

- (1) Include a statement by the actuary certifying that the techniques and methods used are generally accepted within the actuarial profession and that the assumptions and cost estimates used are reasonable;
- (2) Provide a financial analysis of the cost of providing insurance coverage for screening, diagnosis, and treatment of autism spectrum disorders, including an estimate of the cost benefits and the cost impact to the Hawaii medicaid market; and
- (3) Specifically consider the following factors and their impact on the cost of providing insurance coverage or medicaid coverage:
 - (A) The prevalence of autism spectrum disorders compared to the prevalence of treated autism spectrum disorders;
 - (B) The intensity and frequency of treatment provided depending on the severity of the diagnosis of autism spectrum disorders; and
 - (C) The tiered service delivery model of applied behavior analysis as a treatment for autism spectrum disorders.

Further requires the actuarial analysis to be completed and submitted to the insurance commissioner in sufficient time for the insurance commissioner to submit a report including findings, recommendations, and proposed legislation, if any, based on the results of the actuarial analysis to the Legislature no later than twenty days prior to the convening of the Regular Session of 2015.

SSCR 2246, 2651- filed, FLOOR AMENDMENT 2, HSCR 960-14, 1217-14, 1637-14, CCR 102-14)

SB 2330, SD1, HD, CD1

KANEOHE BAY REGIONAL COUNCIL'S POWERS, DUTIES, AND FUNCTIONS. Requires the Kaneohe Bay Regional Council to review and evaluate the provisions of section 200D-3, Hawaii Revised Statutes, to determine whether its powers, duties, and functions remain applicable and relevant and if changes to its mission and functions are required and to submit a report of its findings and recommendations, including the results of its review and

evaluation, and any proposed legislation, to the Legislature no later than twenty days prior to the convening of the Regular Session of 2015.

(SSCR 2467, HSCR 987-14, 1363-14, CCR 20-14)

SB 2391, SD2, HD1, CD1

PUBLIC RECREATIONAL LANDS, USER CONFLICTS. Requires the Department of Land and Natural Resources to convene a working group on the island of Oahu to identify and implement management strategies for the resolution of user conflicts on public recreational lands and select one public recreational area to be the focus of the working group.

Requires the working group to comprise:

- (1) One representative from each appropriate state and county agency that has partial jurisdiction over the subject site and users involved in the conflict, as determined by the Chairperson of the Board of Land and Natural Resources;
- (2) Two representatives of the community at large, as invited by the Governor; and
- (3) One representative from the Hawaii Tourism Authority.

Requires that during the first year of the pilot project, the working group shall identify cost-effective management strategies to resolve user conflicts within the public recreational area selected by the department of land and natural resources, identify funding sources and operational costs for each management strategy identified, and facilitate the execution, if practicable, of a written agreement among agencies and other interested parties that includes all necessary terms and conditions for the shared use and maintenance of the public recreational area.

Requires the Department and the Attorney General to assist the working group in facilitating the execution of the written agreements.

Requires the working group to submit a preliminary report of its findings and recommendations, including any proposed legislation, to the Legislature no later than twenty days prior to the convening of the Regular Session of 2015, and a final report to the Legislature no later than twenty days prior to the convening of the Regular Session of 2016.

(SSCR 2290, 2630, HSCR 1007-14, 1597-14, CCR 10-14)

SB 2470, SD1, HD1, CD1

HAWAII HEALTH CONNECTOR SUSTAINABILITY PLAN. Requires the Board of Directors of the Hawaii Health Connector to submit a sustainability plan to the connector legislative oversight committee no later than ninety days prior to the start of each fiscal year of the connector until June 30, 2018.

Requires the plan to specify the amount of funding required to finance the operations and cash reserve of the connector for each ensuing fiscal year beginning on July 1; provided that

the balance of the cash reserves shall not exceed the value of the cost of six months of administering and operating the connector.

Further requires the plan to detailed itemized budget based upon zero-based budgeting principles for the upcoming fiscal year and a detailed sustainability plan that includes a three-year budget projection for the upcoming three fiscal years.

(SSCR 2466, HSCR 1149-14, 1648-14, CCR 87-14)

SB 2589, SD2, HD2, CD1

HARBORS LAW ENFORCEMENT, TRANSFER AUTHORITY TO THE DEPARTMENT OF PUBLIC SAFETY. Requires the Director of Public Safety, in cooperation with the Director of Transportation to submit a report including findings, recommendations, and updates on the transference of functions and authority of harbors law enforcement from the Department of Transportation to the Department of Public Safety to the Legislature, no later than twenty days prior to the convening of the Regular Session of 2016.

(SSCR 2116, 2718, HSCR 1074-14, 1596-14, CCR 7-14)

SB 2948, SD1, HD1, CD2

PUBLIC UTILITIES COMMISSION, TRANSFER OF POSITIONS AND FUNDS FOR. Authorizes the Department of Budget and Finance, with the approval of the Governor and prior concurrence of the Department of Commerce and Consumer Affairs to transfer positions and funds for the Public Utilities Commission to the Department of Commerce and Consumer Affairs; provided that the governor shall submit a report to the legislature within five days of the use of this authority; provided further that the report shall include the date of the transfer, the positions and funding transferred, the program from which the positions were transferred, the program to which the positions and funding were transferred, and the manner in which the transfer maximizes the utilization of personnel and funding.

Requires the Governor to submit a report that includes the date of the transfer, the positions and funding transferred, the program from which the positions were transferred, the program to which the positions and funding were transferred, and the manner in which the transfer maximizes the utilization of personnel and funding to the Legislature within five days of the use of this authority.

(SSCR 2153, 2569, HSCR 1147-14, 1536-14, CCR 136-14 - filed, HOUSE FLOOR AMENDMENT 9, SENATE FLOOR AMENDMENT 10)

SB 3125, SD2, HD2, CD1

STATE FOUNDATION ON CULTURE AND THE ARTS, AUDIT OF. Requires the Auditor to submit a report of the Auditor's findings and any recommendations regarding the financial and management audit of the State Foundation on Culture and the Arts, including any proposed legislation, to the Legislature no later than twenty days prior to the convening of the Regular Session of 2015.

(SSCR 2322, 2733, HSCR 1161-14, 1576-14, CCR 67-14)

HB 1671, HD1, SD1, CD1

TRANSIENT ACCOMMODATIONS TAX REVENUES ALLOCATION OF. Establishes a state-county functions working group that shall evaluate the division of duties and responsibilities between the state and counties relating to the provision of public services and submit a recommendation to the legislature on the appropriate allocation of the transient accommodations tax revenues between the State and counties that properly reflects the division of duties and responsibilities relating to the provision of public services.

Requires the working group to include:

- (1) Four members, each of whom shall be appointed by a different county mayor;
- (2) Four members appointed by the Governor;
- (3) Two members appointed by the President of the Senate;
- (4) Two members appointed by the Speaker of the House of Representatives; and
- (5) One member appointed by the Chief Justice, who shall serve as the chair of the working group.

Further requires the working group to be administratively placed in the Office of the Auditor.

Requires the working group to submit an interim report to the Legislature, Governor, and each county mayor and council not later than twenty days prior to the convening of the Regular Session of 2015, and final report with its findings and recommendations not later than twenty days prior to the convening of the Regular Session of 2016.

(HSCR 160-14, 764-14, SSCR 3063, 3411, CCR 145-14)

HB 1700, HD1, SD1, CD1

PART III, SECTION 14.1

VAN POOL PROGRAM. Requires the City and County of Honolulu Department of Transportation Services to submit a plan for the use of the grant before any expenditure or obligation is made for the van pool program to the Legislature. The plan shall be submitted at least thirty days prior to the city and county of Honolulu department of transportation services expending or obligating any portion of the grant; and

Further requires the Department to submit a report on the use of the grant with statistics on expenditure, usage, benefits, and costs to the Legislature prior to the convening of the Regular Session of 2015, and at least twenty days prior to the convening of the Regular Session of 2016.

PART III, SECTION 14.2

COMMUNITY FISHERIES ENFORCEMENT UNITS ON MAUI, OAHU, HAWAII, AND KAUAI. Requires the Department of Land and Natural Resources to conduct an evaluation of each unit based on relevant measures of effectiveness, including number of warnings, citations, and violations, before and after the establishment of the unit and submit the evaluation to the Legislature prior to December 31, 2015.

PART III, SECTION 14.3

CONSERVATION AND RESOURCES ENFORCEMENT. Requires the Department of Land and Natural Resources to submit a report on the expenditure and benefits of funds for overtime and other cost differentials; uniforms, body armor, and utility gear; vehicle and vessel fuel, oil, repair and maintenance; and utilities.

Further requires the report to include an itemization of the expenditure and description of the direct benefits resulting from the expenditure, which shall be supported by relevant pre- and post-expenditure measures of effectiveness.

Further requires the Department to submit the report at least twenty days prior to the convening of the Regular Session of 2015."

Part III, SECTION 19.4

DEPARTMENT OF EDUCATION UTILITY COSTS. Requires the Department of Education to submit to the legislature a report on its utility costs that includes at least the following:

- (1) Projected costs for electricity, water, sewer, and gas for each fiscal year through fiscal year 2015-16;
- (2) Projected cost savings during each of the same fiscal years from renewable energy and other projects planned to be implemented by the department; and
- (3) Projected operating and capital costs, means of financing, and installation timeline for the renewable energy and other projects planned to be implemented by the department through fiscal year 2015-16.

Further requires the Department to submit the report to the Legislature not later than twenty days prior to the convening of the Regular Session of 2015.

PART III, SECTION 33.1

STATE DEPARTMENT'S INFORMATION TECHNOLOGY ENVIRONMENT. Requires the Office of Information Management and Technology to develop and implement service level agreements with all executive agencies with regard to guaranteed levels of service, available resources, and information security services and annually report the health status of each

department's information technology environment as it relates to functionality, risk, and maturity to the Legislature no later than August 1.

Further requires the Office to conduct periodic information security and penetration audits of the executive branch information technology system and submit reports of its findings quarterly to the Legislature on July 1, October 1, January 1, and April 1.

PART VII, SECTION 136.1

EXECUTIVE BUDGET. Requires the Department of Budget and Finance to prepare the base budget for each department and attached agency by deleting appropriations identified as non-recurring in the executive budget bill worksheets for this Act and Act 134, Session Laws of Hawaii 2013, and that the forms be submitted no later than the date of submission by the Governor to the Legislature of the executive budget for the fiscal biennium 2015-2017.

(HSCR 910-14, SSCR 3140, CCR 148-14)

HB 1745, HD2, SD2, CD1

STATE PUBLIC CHARTER SCHOOL COMMISSION, STAFFING AND OPERATIONAL EXPENDITURES. Requires the State Public Charter School Commission to submit a report to the Chairs of the Senate Committee on Ways and Means, Senate Committee on Education, House Committee on Finance, and House Committee on Education, on the commission's staffing and operational expenditures by the twentieth day after the commission submits its 2015-2016 budget request to the governor or December 1, 2014, whichever is earlier.

(HSCR 404-14, 843-14, SSCR 2971, 3403, CCR 150)

HB 1796, HD2, SD1, CD1

PUBLIC SCHOOL STUDENTS, RESTRAINT OF. Requires the Department of Education to submit a report on prohibiting the use of seclusion, chemical restraint, or mechanical restraint and limiting the use of physical restraint and requiring notification, policies and procedures, training, and review.

Further requires the report to include:

- (1) The Department's plan to phase in the implementation;
- (2) Any budgetary needs of the Department; and
- (3) Any proposed legislation necessary for implementation.

Further requires the Department to report to the Legislature no later than twenty days prior to the convening of the Regular Sessions of 2015 and 2016.

Further requires the Department to update the Senate Committee on Education and the House of Representatives Committee on Education on the Department's policy and procedures on the use of restraint in public schools no later than twenty days prior to the convening of the Regular Session of 2017.

(HSCR 345-14, 776-14, SSCR 2953, 3326, CCR 151-14)

HB 1966, HD1, SD2, CD1

PUBLIC EMPLOYEES, CIVIL SERVICE EXEMPTION PROCESS. Requires the State Auditor to review the current civil service exemption processes in sections 46-33, 76-16, and 76-77, Hawaii Revised Statutes, and recommend procedures, guidelines, and criteria to ensure that the civil service exemption process is used appropriately and only in extraordinary circumstances.

Further requires the Auditor to determine the reasons state and county departments and agencies have used the civil service exemption process and recommend modifications to streamline and update the process for modernizing and reconciling job position descriptions within state and county departments and agencies to accurately reflect the duties that the employees are expected to perform.

Further requires the Auditor to submit a report of its findings and recommendations, including proposed legislation, if any, to the Legislature no later than twenty days prior to the convening of the Regular Session of 2015.

(HSCR 553-14, SSCR 3047, 3296, CCR 96-14)

HB 2003, HD1, SD1, CD1

CYBERSECURITY. Establishes a Hawaii Cybersecurity, Economic, Education, and Infrastructure Security Coordinator position selected by the Adjutant General and placed within the Department of Defense to oversee cybersecurity and cyber resiliency matters, including cybersecurity, economic, education, and infrastructure security for the State.

Requires the Coordinator to develop methods and requirements for:

- (1) Improving cyber resiliency within the State through the development of a structure that shall include education, cybersecurity, and critical infrastructure protection;
- (2) Improving the State's critical infrastructure network and resiliency, including identifying interdependencies of critical infrastructures, points of connection between critical infrastructures, the most critical nodes, and the cascading effects of a cyber-attack on these points of connection between critical infrastructure;
- (3) Improving the State's cybersecurity by using existing resources within the State;
- (4) Examining specific requirements and actions to accelerate the growth of the cybersecurity industry in the State;
- (5) Defining the requirements and opportunities to secure state, federal, and private moneys for cybersecurity activities and related educational programs;

- (6) Forming partnerships to implement cyber resiliency structures and protocol to identify and share information about possible cyber-attacks and mitigate damage and recover quickly and efficiently from cyber-attacks; and
- (7) Expanding the State's cybersecurity and cyber resiliency understanding and workforce through education.

Further requires the Coordinator to submit a report of its findings, recommendations, and proposed legislation in connection with the conduct of the coordinator's duties to the Legislature no later than twenty days prior to the convening of the Regular Session of 2015.

(HSCR 265-14, 731-14, SSCR 3316, CCR 75-14)

HB 2224, HD2, SD2, CD1

CLEAN AND SOBER HOMES, REGISTRY OF. Requires the Department of Health to submit a progress report concerning the status of the plan for establishing and operating the registry of clean and sober homes to the legislature no later than twenty days prior to the convening of the Regular Session of 2015.

(HSCR 238-14, 486-14, 700-14, SSCR 2956, 3208, CCR 127-14)

HB 2363, HD2, SD2, CD1

DRUG OFFENDERS, REENTRY PROJECT. Establishes the reentry pilot project for nonviolent, low-risk drug offenders within the Department of Public Safety where participants will be provided community-based treatment including residential care for one and one-half months to two months; outpatient care for two months to three months; and continuing care for up to six months that is coordinated with other agencies and support groups depending on a participant's needs.

Requires the Department to submit reports of its findings and recommendations, including any proposed legislation, to the Legislature no later than twenty days prior to the convening of the Regular Sessions of 2015 and 2016.

(HSCR 222-14, 539-14, 589-14, SSCR 2930, 3284, CCR 130-14)

HB 2490, HD2, SD2, CD1

JUVENILE JUSTICE REFORM. Establishes a Juvenile Justice Oversight Advisory Council to oversee implementation and issue necessary reports to carry out the juvenile justice reforms in this Act.

Requires the council include:

- (1) One member from the executive branch, appointed by the Governor;
- (2) One member from the House of Representatives, appointed by the Speaker of the House of Representatives, or designee;

- (3) One member from the Senate, appointed by the President of the Senate, or designee;
- (4) One member from the Judiciary, appointed by the Chief Justice of the Supreme Court, or designee;
- (5) Four members to represent each of the four judicial circuits appointed by the Chief Justice of the Supreme Court, or designee;
- (6) The Executive Director of the Office of Youth Services;
- (7) Two members from the Child and Adolescent Mental Health Division of the Department of Health, appointed by the Director of Health;
- (8) Two members from the Department of Education, appointed by the Superintendent of Education;
- (9) One member from the Department of Human Services, appointed by the Director of Human Services;
- (10) One juvenile justice stakeholder from the advocacy community, appointed by the Executive Director of the Office of Youth Services;
- (11) One juvenile crime victim advocate, selected from a list submitted by the victim-witness coordinators, and appointed by the Governor; and
- (12) One member from a law enforcement agency or a county prosecutor's office, appointed by the Governor.

Requires the Council to review data and information submitted to the advisory council and submit annual reports evaluating implementation of the reforms in this Act and juvenile justice system effectiveness to the executive, legislative, and judicial branches.

Further requires the Council to review current eligibility requirements for mental health services for youth, with a focus on expanding access to services to ensure that youth determined to be at-risk and with a need for mental health services receive those services in a more comprehensive and timely manner and submit a report including the current eligibility requirements, recent changes to eligibility requirements, and recommendations for further changes to the eligibility requirements to the executive, legislative, and judicial branches no later than twenty days prior to the convening of the Regular Session of 2016.

Council to cease to exist on the last day of the Regular Session of 2016.

(HSCR 464-14, 889-14, SSCR 3018, 3394, CCR 115-14)

HB 2581, HD3, SD2, CD1

PATIENT PROTECTION AND AFFORDABLE CARE ACT OF 2010, HEALTH REFORM REQUIREMENTS. Creates the State Innovation Waiver Task Force attached to the Office of the Governor which includes:

- (1) The Healthcare Transformation Coordinator, who shall serve as chair;
- (2) The Director of Health;
- (3) The Director of Labor and Industrial Relations;
- (4) The Administrator of the MedQUEST Division of the Department of Human Services;
- (5) The Insurance Commissioner;
- (6) The Attorney General;
- (7) The Chief Information Officer of the Office of Information Management and Technology;

- (8) The Administrator of the Hawaii Employer-Union Health Benefits Trust Fund;
- (9) The Executive Director of the Hawaii Health Connector;
- (10) The Executive Director of the Hawaii Health Information Exchange;
- (11) A representative of The Chamber of Commerce of Hawaii;
- (12) A representative of the Healthcare Association of Hawaii;
- (13) A representative of the Hawaii Primary Care Association;
- (14) Two persons with expertise in health care delivery, one of whom shall be designated by the President of the Senate and one of whom shall be designated by the Speaker of the House of Representatives;
- (15) A person with expertise in health insurance, to be designated by the President of the Senate; and
- (16) A person representing small businesses in Hawaii, to be designated by the Speaker of the House of Representatives.

Requires the Task Force to:

- (1) Examine the feasibility of alternative approaches to the health reform requirements described under Section 1332(a)(2) of the federal act;
- (2) Examine alternatives to and possible exemptions or waivers from requirements relating to allowable premium rate variations based upon age, as described in Section 1201 of the federal act;
- (3) Examine the feasibility of options for providing affordable insurance coverage for uninsured and underinsured individuals in Hawaii through brokers and professional employer organizations that include innovations to the State's existing medicaid program; and
- (4) Develop a plan for applying for a state innovation waiver that meets the requirements of Section 1332 of the federal act, including:
 - (A) Developing a strategy for health care reform that:
 - (i) Provides coverage that is at least as comprehensive as required by the federal act;
 - (ii) Provides coverage and cost-sharing protections that are at least as affordable as under the federal act;
 - (iii) Makes health insurance coverage available to as many residents of Hawaii as under the federal act; and
 - (iv) Is budget neutral for the federal government;
 - (B) Examining the feasibility of options for providing affordable insurance coverage for uninsured and underinsured individuals in Hawaii that include innovations to the State's existing medicaid program; and
 - (C) Ensuring compliance with all applicable public notice requirements of title 31 Code of Federal Regulations part 33 and title 45 Code of Federal Regulations part 155, as amended.

Further requires the Task Force to submit an initial interim reports to the legislature no later than twenty days prior to the convening of the Regular Sessions of 2015 and 2016 that include:

- (1) Identification of opportunities for state agencies to collaborate on new information technology that will advance the goals of the federal act and state innovation; and
- (2) Recommendations on the allocation of existing moneys available for health reform and innovation, including any proposed legislation.

Further requires the Task Force to submit a final report of its findings and recommendations to the legislature, including any proposed legislation and the draft application, no later than twenty days prior to the convening of the Regular Session of 2017.

(HSCR 347-14, 521-14, 840-14, SSCR 2921, 3270, CCR 128-14)

SCR 31, SD1

HERBAL THERAPISTS, REGULATION OF. Requests the Auditor to conduct a sunrise review of the licensure and regulation of herbal therapists and to submit findings and recommendations, including any proposed legislation, to the Legislature no later than twenty days prior to the convening of the Regular Session of 2015.

(SSCR 3091, 3262, HSCR 1674-14, 1697-14)

SCR 34, SD1

HEARING AIDS, MANDATING INSURANCE COVERAGE FOR. Requests the Auditor to conduct an impact assessment report, pursuant to sections 23-51 and 23-52, Hawaii Revised Statutes, of the social and financial impacts of mandating coverage for hearing aids for individual and group accident and health or sickness insurance policies, contracts, plans, or agreements; hospital and medical service plan contracts; and health maintenance organization plans.

Further requests the Auditor to include the impact of federal Patient Protection and Affordable Care Act of 2010 requirements if mandated health insurance coverage for hearing aids is implemented in Hawaii.

Further requests the Auditor to submit findings and recommendations to the Legislature, including any necessary implementing legislation, no later than twenty days prior to the convening of the Regular Session of 2015.

(SSCR 3092, 3200, HSCR 1675-14, 1698-14)

SCR 41 HR 25

VOTER REGISTRATION AMONG YOUNG ADULTS, DEPARTMENT OF EDUCATION AND DEPARTMENT OF HUMAN SERVICES TO ASSIST WITH INCREASING. Requests the Department of Education and Department of Human Services to assist with increasing voter registration among young adults.

Requests the Department of Education to provide seniors at every public school with voter registration information prior to graduation.

Requests the Department of Human Services to provide young adults who are in young adult voluntary foster care with information on voter registration and to provide informational literature about the voting registration process to any young adult who inquires about the process.

(SSCR 2954, 3186, HSCR 1684-14)

SCR 51, SD1, HD1

YOUTH RISK BEHAVIOR SURVEY ADMINISTERED TO STUDENTS. Requests the Department of Education and the State Public Charter School Commission to administer the Youth Risk Behavior Survey to a sample of students in grades six to twelve in select department schools.

(SSCR 2987, HSCR 1695-14)

SCR 57, HD1

2020 FESTIVAL OF PACIFIC ARTS, HOSTING. Resolves that an exploratory committee be formed, made up of the Hawaii delegate to the Council of Pacific Arts and Culture, as well as representatives from:

- (1) The Office of the Governor;
- (2) The Hawaii Tourism Authority;
- (3) The Office of Hawaiian Affairs;
- (4) The Hawaii Council of Mayors; and
- (5) Any other entity or organization that is critical to the success of a bid proposal and implementation of a bid proposal to host the Festival; and

Further resolves that the exploratory committee convene for the purpose of submitting a bid proposal to the Council of Pacific Arts and Culture to host the 2020 Festival of Pacific Arts.

(SSCR 3117, 3219, HSCR 1694-14)

SCR 62

SEXUAL HARASSMENT AND ASSAULT IN THE UNITED STATES ARMED FORCES. Urges Congress to enact the bills currently introduced to address sexual harassment and assault in the United States Armed Forces, including but not limited to bills seeking to: improve the services available to victims of sexual harassment and assault; extend victims' rights; modify the authority of commanders with respect to case prosecutions and convictions; professionalize the military justice system; mandate certain punishments for those convicted of specific sex crimes; and require the retention of sexual assault reports and the collection of better data.

Further urges Congress to move swiftly to enact these bills to ensure the well-being of military service members by protecting them against sexual harassment and assault and in so doing, maintain the readiness of our military.

FUEL TANK LEAK AT THE RED HILL UNDERGROUND FUEL STORAGE FACILITY, OAHU. Requests the Director of Health to convene a task force to study the effects of the January 2014 fuel tank leak at the Red Hill Underground Fuel Storage Facility and that the Director serve as the Chairperson of the task force and to invite interested parties to be members of the task force, including:

- (1) One member representing the United States Navy;
- (2) One member representing the United States Environmental Protection Agency;

- (3) One representative selected by the Speaker of the House of Representatives and one senator selected by the President of the Senate;
- (4) One member representing the Department of Land and Natural Resources;
- (5) One member representing the Honolulu Board of Water Supply; and
- (6) Not less than two members from the community at large; and

Requests the task force to consider:

- (1) The short- and long-term effects of the leak at the Red Hill Underground Fuel Storage Facility, including effects relating to the health of residents, safe drinking water, and the environment;
- (2) Response strategies to mitigate the effects of future leaks at the Red Hill Underground Fuel Storage Facility;
- (3) Ways to improve communication between the United States Navy, the State, and the public in the event of future leaks at the Red Hill Underground Fuel Storage Facility; and
- (4) The implications of shutting down the Red Hill Underground Fuel Storage Facility; and

Requests the Department of Health to provide any necessary administrative, professional, technical, and clerical support to the task force.

Urges the United States Navy to work with the Department of Health and the Honolulu Board of Water Supply to remediate the contamination beneath the Red Hill Facility to protect and prevent contamination of the groundwater aquifer.

Requests the Director to submit a report of the task force's findings and recommendations, including any proposed legislation, to the Legislature no later than twenty days prior to the convening of the Regular Session of 2015

DISPOSAL FEE PROGRAM, EXAMINATION AND AUDIT OF. Requests the Department of Health to meet with the respective counties and other stakeholders to examine the advance disposal fee program to determine whether there are more cost-effective ways of handling recyclable glass, including local alternatives to shipping glass out of the State.

Requests the Auditor to conduct an examination and audit of the program including the use of fee revenue by the respective counties and the accuracy of payments made to recyclers from fee revenues.

Further requests the Auditor to include in the audit an examination of local alternatives to shipping glass containers out of the State for recycling, such as local conversion of glass to sand or the use of glass as landfill cover or in roadway asphalt, and whether these programs would be environmentally and economically prudent alternatives and to confer with affected businesses in preparing the audit.

Further requests the Auditor to submit the findings and recommendations from the audit to the Legislature no later than twenty days prior to the convening of the Regular Session of 2015.

COTTAGE FOOD INDUSTRY, ISSUES RELATING TO. Requests the Ulupono Initiative and/or the Local Food Coalition to convene a cottage food business working group comprising representatives from the Department of Health and the cottage food industry to examine title 11, chapter 50, Hawaii Administrative Rules, relating to the Food Safety Code, to consider the following:

- (1) What restrictions, if any, these rules may place on the cottage food industry in Hawaii;
- (2) Issues relating to the permitting process, including a permit that would not require vendors engaged in direct sales to consumers to reapply every one hundred twenty days or pay any associated permitting fees;
- (3) Potentially authorizing home kitchens to be an approved source for a temporary food establishment permit;
- (4) The parameters associated with the volume of food allowed to be sold by persons holding temporary food establishment permits; and
- (5) Any other potential issues associated with growing the cottage food industry in Hawaii; and

Further requests the Ulupono Initiative and/or the Local Food Coalition to submit a report of the working group's findings, recommendations, and any proposed legislation to the Legislature no later than twenty days prior to the convening of the Regular Session of 2015.

EDUCATIONAL LOAN REPAYMENT PROGRAM FOR WILLIAM S. RICHARDSON SCHOOL OF LAW GRADUATES. Requests the Hawaii Access to Justice Commission to convene a working group to develop an educational loan repayment program for William S. Richardson School of Law graduates to expand opportunities to pursue public interest careers in Hawaii for the benefit of underserved communities.

Resolves that the working group be composed of members of the Hawaii Access to Justice Commission, faculty and staff of the William S. Richardson School of Law, the Student Bar Association of the William S. Richardson School of Law, the Alumni Association of the

William S. Richardson School of Law, the Hawaii State Bar Association, a retired member of the Hawaii Supreme Court, Hawaii Consortium of Legal Service Providers, Hawaii Justice Foundation, a member of the House of Representatives, a member of the Senate, and a representative of the Governor's Office.

Requests the working group to:

- (1) Explore alternative methods of encouraging law graduates to pursue public interest careers that provide legal services directly to underserved communities and nonprofit organizations;
- (2) Consider the compatibility of the federal law graduate loan repayment programs with a Hawaii program;
- (3) Consider the establishment of an incubator program for post-graduate apprenticeship to afford practice-ready training for graduates of the William S. Richardson School of Law and to encourage multidisciplinary training of graduates; and
- (4) Draft proposed legislation or alternative measures, if needed, to implement such programs; and

Further requests the working group to submit a final report of the working group's findings and recommendations, including any proposed legislation, to the Legislature no later than twenty days prior to the convening of the Regular Session of 2015.

SCR 120, SD2

CORRECTIONAL FACILITIES AND INMATES. Requests the Governor to explore a competitively procured public-private partnership agreement for the planning, design, construction, and financing of a new system of correctional facilities that may include reentry centers, reporting centers, treatment centers, prisons, jails, and halfway homes, to be owned and operated by the State and its counties.

Further requests the Governor to explore different public-private partnership models, including those that may involve partial public funding or joint development; and

Urges the Governor to achieve the goal of bringing home all of the State's prisoners that are incarcerated on the mainland no later than July 1, 2018.

Resolves that the public-private partnership thoroughly evaluate refurbishment and expansion of any existing facilities that may have remaining useful life and can be extended for a minimum of thirty years and that all proposals include a total cost of ownership analysis, including but not limited to: first cost of capital, all land and infrastructure costs, building operating costs and maintenance, managerial operating costs including all staff costs, and remaining useful life beyond the thirty-year period; and

Requests that the relevant state departments to put out a request for proposals for the public-private partnership agreement to the prison building industry and that the relevant state departments are requested to offer to hold an informational briefing on the request for proposals for the Senate Committees on Public Safety, Intergovernmental and Military Affairs, and Ways and Means, and the House Committees on Public Safety and Finance, at least thirty days before issuance of the request for proposals.

Requests the State to select a private partner to accomplish the goal of providing Hawaii with a new, state of the art, system of correctional facilities and, as soon as possible thereafter, submit the selected offer to the Legislature.

Resolves that the Department of Public Safety complete a thorough evaluation of all inmates in prison and the status of their reentry plans, the effectiveness of rehabilitation services and programs, or lack thereof, and alternatives to incarceration.

Requests the Governor to submit a report of any findings, recommendations, plans, and proposed legislation relating to the public-private partnership agreement to the Legislature no later than twenty days prior to the convening of the Regular Session of 2015.

MARIJUANA, MEDICAL, DISPENSARY SYSTEM. Requests the Public Policy Center in the College of Social Sciences at the University of Hawaii at Manoa to convene a Medical Marijuana Dispensary System Task Force to develop recommendations for the establishment of a regulated statewide dispensary system for medical marijuana to provide safe and legal access to medical marijuana for qualified patients.

Requests the Task Force to make recommendations and propose legislation on the design and structure of a regulated statewide dispensary system for medical marijuana.

Resolves that the Task Force be comprised of:

- (1) The Attorney General, or the Attorney General's designee;
- (2) The Director of Health, or the Director's designee;
- (3) The Director of Public Safety, or the Director's designee;
- (4) The Director of Taxation, or the Director's designee;
- (5) The Director of Commerce and Consumer Affairs, or the Director's designee;
- (6) The Director of the Public Policy Center, or the Director's designee;
- (7) The Prosecuting Attorney of the City and County of Honolulu, or the Prosecuting Attorney's designee;
- (8) A police chief chosen by the Law Enforcement Coalition, or the police chief's designee;
- (9) The Chairperson of the Senate Committee on Health;
- (10) The Chairperson of the House Committee on Health;

- (11) A state senator who is selected by the Senate President to serve on the Task Force;
- (12) A state representative who is selected by the Speaker of the House of Representatives to serve on the Task Force;
- (13) A representative from the University of Hawaii College of Tropical Agriculture and Human Resources;
- (14) A representative of the Drug Policy Forum of Hawaii;
- (15) A physician participating in Hawaii's Medical Marijuana Program;
- (16) Two participants in Hawaii's Medical Marijuana Program, one of whom is a patient who is over the age of 18, and one of whom is a parent or guardian of a patient who is under the age of ten;
- (17) A caregiver participating in Hawaii's Medical Marijuana Program;
- (18) A representative from the American Civil Liberties Union of Hawaii;
- (19) A representative from the Hawaii Medical Association; and
- (20) A representative from the Coalition for a Drug-Free Hawaii; and

Further resolves that the issues to be addressed by the Task Force include the appropriate number and location of dispensaries statewide; the design of a tax structure (state and county); location and restriction issues; methodology for ensuring safety of supply; a framework for cultivating and manufacturing medical marijuana products; regulations to ensure security and public safety; restrictions on advertising; issues raised and compliance with any guidelines and/or directives issued by federal agencies with respect to medical marijuana.

Requests the Legislative Reference Bureau to complete and submit to the Task Force an updated report on the policies and procedures for access, distribution, security, and other relevant issues related to the medical use of cannabis in all states that currently have a medical cannabis program.

Further requests the Bureau to examine and include information concerning the policies and procedures adopted by other states relating to the growth and cultivation of medical marijuana and the regulation of medical marijuana dispensaries.

Requests the Task Force to hold at least one public hearing to receive public input on the updated report received from the Bureau containing the policies and procedures for access, distribution, security, and other relevant issues related to the medical use of cannabis in all states that currently have a medical cannabis program.

Further requests the Task Force to submit a report of its findings and recommendations, including any proposed legislation, to the Legislature no later than twenty days prior to the convening of the Regular Session of 2015.

MEDICAL MARIJUANA, REGISTERED DISPENSARIES. Requests the Auditor to conduct a sunrise review of the establishment of a system of registered dispensaries within the Department of Health to dispense medical marijuana which includes:

- (1) The qualifications, duties, and responsibilities for dispensaries of medical marijuana;
- (2) The registration requirements for dispensaries of medical marijuana to possess and cultivate medical marijuana for:
 - (A) Dispensing medical marijuana to a qualifying patient or primary caregiver; and
 - (B) Manufacturing, purchasing, possessing, distributing, and using drug paraphernalia in accordance with Hawaii's Medical Use of Marijuana Law;
- (3) The registration requirements for qualifying patients and primary caregivers to use and obtain services from dispensaries of medical marijuana, including the payment of a cultivation fee to the Department of Health and the cultivation of marijuana in secured facilities that may or may not be part of the dispensary;
- (4) The registration, to include criminal record checks, of dispensary agents who must be registered with the Department of Health prior to working at a dispensary; and
- (5) The protections afforded to qualifying patients, primary caregivers, dispensaries, and dispensary agents with respect to the regulation of a system of registered dispensaries within the Department of Health to dispense medical marijuana; and

Further requests the Auditor to submit its findings and recommendations, including any proposed legislation, to the Legislature no later than twenty days prior to the convening of the Regular Session of 2015

(HSCR 1097-14, 1355-14, SSCR 3495)

HCR 78, HD1, SD1

CAREGIVERS ROLE IN AFTER-CARE OF PATIENTS RELEASED FROM HOSPITALS.

Requests the Department of Health to convene a family caregivers working group to examine and assess issues contained in Senate Bill 2264, Regular Session of 2014, including but not limited to the role of caregivers, the state of current practice of caregiver designation, notification, involvement in discharge planning, and training, the question of what role hospitals should play in the training of caregivers, the role others might or should play in the training of caregivers to assure the best outcomes for all patients released from hospitals, and legislative and regulatory recommendations on how best to involve caregivers in patient discharge and prepare caregivers for after-care tasks.

Further requests the Department to invite the participation of:

- (1) The Director of Health, or the Director's designee;
- (2) One representative and one family care representative from AARP Hawaii;
- (3) The Director of the Executive Office on Aging, or the Director's designee;
- (4) One representative from the Healthcare Association of Hawaii;
- (5) One representative from each Oahu hospital facility or one representative from each hospital or health care system where multiple private Oahu or neighbor island hospitals are under a single hospital or health care system;
- (6) One representative from each Hawaii Health Systems Corporation region;
- (7) One representative and one family care representative from a home health care organization;
- (8) One representative from a Skilled Nursing Facility;
- (9) One representative from each of the County Area Agencies on Aging;
- (10) One representative and one family care representative from the Kokua Council;
- (11) One representative from Hawaii's health insurance or mutual benefit society health plans;
- (12) One representative and one family care representative from the American Cancer Society;
- (13) One representative and one family care representative from Papa Ola Lokahi; and
- (14) One representative and one family care representative from an Alzheimer's disease treatment organization;
- (15) One representative and one family care representative from Kokua Mau;
- (16) One representative and one family care representative from a hospice organization;
- (17) One representative from the Hawaii Long Term Care Association;
- (18) A member of the Senate appointed by the Senate President, who shall serve as co-chair; and
- (19) A member of the House of Representatives appointed by the Speaker of the House, who shall serve as co-chair.

Requests the working group to submit a written report of its findings and recommendations to the Legislature no later than twenty days prior to the convening of the Regular Session of 2015.

WIRELESS TELECOMMUNICATION PLATFORMS, USE OF PUBLIC LANDS. Requests the Director of Business, Economic Development, and Tourism to establish a working group to research and compile the current regulations and administrative rules on the issuance of leases, revocable permits, or any other legal contract that allows for the use of public lands for installation and operation of wireless telecommunication platforms in order to propose legislation or changes to administrative rules.

Requests the working group to find ways to reduce the amount of time it takes for state agencies to process permits and provide approvals for the most modern communications technology serving the State.

Requests the Director to include as members of the working group:

- (1) The Attorney General;
- (2) A member of the Senate appointed by the Senate President;
- (3) A member of the House of Representatives appointed by the Speaker of the House of Representatives;
- (4) Members of the wireless telecommunication community; and
- (5) Any other member deemed necessary by the working group.

Requests the working group to submit a report of its findings and recommendations, including any proposed legislation and any proposed changes to administrative rules regarding contracts with wireless telecommunication service providers, to the Legislature no later than twenty days prior to the convening of the Regular Session of 2015.

*HR 81, HD2 Does not request the working group to find ways to reduce the amount of time it takes for state agencies to process permits and provide approvals for the most modern communications technology serving the State.

EMERGENCY SERVICES PATIENT ADVOCATE PROGRAM. Urges the Director of Health to convene a task force to assess the scope and feasibility of establishing an emergency services patient advocate program to provide assistance to, and advocate on behalf of, patients receiving emergency medical care.

Resolves that the Director or the director's designee serve as the chairperson of the task force and that the task force consist of:

- (1) The Director of Health or the Director's designee;
- (2) Four representatives from the Healthcare Association of Hawaii, each of whom is to be a resident of one each of the following counties: City and County of Honolulu, County of Hawaii, County of Kauai, and County of Maui;
- (3) Four representatives from the Subarea Health Planning Councils of the Statewide Health Coordinating Council established under section 323D-13, Hawaii Revised Statutes;
- (4) Three community-patient members who shall be appointed by the Director of Health;
- (5) One representative from the Hawaii Chapter of the American College of Emergency Physicians;
- (6) One representative of the Emergency Medical Services and Advisory Committee;
- (7) The directors of emergency departments of hospitals located in Hawaii;
- (8) Healthcare Association staff; and
- (9) Individuals with direct experience in patient advocacy.

Resolves that the task force:

- (1) Examine and identify current practices in emergency services patient advocacy;
- (2) Assess and identify best practices in emergency services patient advocacy;
- (3) Make recommendations on whether a statewide emergency services patient advocate program is necessary; and
- (4) Make recommendations on whether a statewide emergency services patient advocate program would be cost-effective.

Resolves that the task force submit a report of its findings and recommendations, including any proposed legislation, to the Legislature no later than twenty days prior to the convening of the Regular Session of 2015.

STATE FOUNDATION ON CULTURE AND THE ARTS, FIFTIETH ANNIVERSARY CELEBRATION. Establishes a task force to plan and coordinate the celebration of the fiftieth anniversary of the Hawaii State Foundation on Culture and the Arts within the Department of Accounting and General Services and that the task force members be selected as follows:

- (1) Three members to be selected by the President of the Senate;
- (2) Three members to be selected by the Speaker of the House of Representatives;
- (3) Five members to be selected by the Governor;
- (4) Four members to be selected by the Comptroller; provided that at least two members shall be Foundation employees; and
- (5) The Comptroller, or the Comptroller's designee, who shall serve as an ex officio member.

Resolves that the Chair of the task force be selected by the task force members and that a vacancy on the task force be filled by the same selection authority that appointed the vacating member.

Requests the task force to develop, plan, and coordinate various program activities to celebrate and commemorate the fiftieth anniversary of the Foundation, including a series of events from July 1, 2014, through December 31, 2015.

Further requests the task force to submit a report that includes:

- (1) Events the task force has planned and executed prior to the submission of the report;
- (2) A detailed plan on how the task force will implement its remaining recommendations; and
- (3) The identification and recommendation of procedures for the appropriate disbursement of any public funds related to the task force's work

to the Legislature no later than twenty days prior to the convening of the Regular Session of 2015.

SEPSIS AND SEPSIS DEATHS. Requests the Director of Health to convene a working group to recommend ways to reduce incidents of sepsis and sepsis deaths in the State.

Resolves that the working group consider:

- (1) Examine and identify barriers to quality care for patients with sepsis;
- (2) Review and assess national models, best practices, and guidelines comparative to Hawaii's needs;
- (3) Consider options for improving early recognition, identification, and treatment of sepsis and septic shock in Hawaii's hospitals;
- (4) Improve the collection, use, and reporting of quality measures by medical staff related to the recognition and treatment of sepsis;
- (5) Provide recommendations to better educate the public about sepsis, including its symptoms, diagnoses, treatment, and preventive measures;
- (6) Identify barriers and make recommendations to address the costs of sepsis and costs necessary to combat sepsis; and
- (7) Any other recommendation deemed relevant by the Director of Health to further the purpose of this measure.

Further resolves that the findings and recommendations of the task force be considered, and incorporated as feasible, as part of a comprehensive plan to be developed by the Department of Health to combat sepsis in the State.

Requests the task force to submit a written report of its findings and recommendations, including any proposed legislation, to the Legislature no later than twenty days prior to the convening of the Regular Session of 2015.

DEAF OR SEVERELY HARD OF HEARING CHILDREN, EDUCATION AND HEALTH CARE FOR. Requests the Superintendent of Education and the Director of Health to convene a working group to assess whether children in Hawaii who are deaf or severely hard of hearing and who choose the aural/oral route of communication receive proper training and support to learn spoken language skills.

Requests the working group is requested to assess whether a gap in education and health care exists for children who are deaf or severely hard of hearing such that they do not adequately receive the guidance of therapists who are trained in the field of oral speech therapy and that these children are given the accommodations required for their schooling according to the Rehabilitation Act of 1973, IDEA, and the Patient Protection and Affordable Care Act; and

Further requests the working group to specifically review:

- (1) The transition from the Department of Health to the Department of Education to determine whether one department should follow the progress of each child for a longer period of time or whether there is a more productive method to facilitate the transition between the two departments;

- (2) The methodology for the responsible department to recruit properly trained teachers, including the posting of the job listings, salary requirements, and the recruiting entity;
- (3) The possibility of hiring an experienced oral speech therapy teacher to fill the gap in training while the hiring is underway for permanent oral therapy teachers; and
- (4) The possibility of covering the insurance cost of families who choose to use telehealth services to receive oral speech therapy sessions.

Further requests the Superintendent and Director to appoint to the working group representatives from the Developmental Disabilities Division of the Department of Health, the Department of Education, and other stakeholders involved in ensuring that children in Hawaii who are deaf or severely hard of hearing receive the proper training and access to the correct tools to succeed in achieving the goals laid out in their individual education programs.

*HR 188 Requests the working group to submit a report of its findings and recommendations, including any proposed legislation, to the Legislature not later than twenty days prior to the convening of the Regular Session of 2015.

EMERGENCY SERVICES PATIENT ADVOCATE PROGRAM. Urges the Director of Health to convene a task force to assess the scope and feasibility of establishing an emergency services patient advocate program to provide assistance to, and advocate on behalf of, patients receiving emergency medical care.

Resolves that the Director or the director's designee serve as the chairperson of the task force and that the task force consist of:

- (1) The Director of Health or the director's designee;
- (2) Four representatives from the Healthcare Association of Hawaii, each of whom is to be a resident of one each of the following counties: City and County of Honolulu, County of Hawaii, County of Kauai, and County of Maui;
- (3) Four representatives from the Subarea Health Planning Council of the State Health Planning and Development Agency under section 323D, Hawaii Revised Statutes;

- (4) The directors of emergency rooms, or designees, from hospitals located in Hawaii; and
- (5) Three community-patient members who shall be appointed by the Director of Health.

Further resolves that the task force:

- (1) Examine and identify current practices in emergency services patient advocacy;
- (2) Assess and identify best practices in emergency services patient advocacy;
- (3) Make recommendations on how to effectively implement an emergency services patient advocate program, including a timetable for implementation; and
- (4) Determine the costs of implementing, and resources necessary to implement, an emergency services patient advocate program.

Further resolves that the task force submit a report of its findings and recommendations, including any proposed legislation, to the Legislature no later than twenty days prior to the convening of the Regular Session of 2015.

Further resolves that the report include the task force's actions in assessing the scope and feasibility of establishing an emergency services patient advocate program.

GRAFFITI. Requests the State Attorney General to convene an anti-graffiti task force to develop recommendations that address education and prevention, enforcement, community involvement, legislation, and graffiti removal.

Resolves that the task force be chaired by the Attorney General, or the Attorney General's designee, and include:

- (1) The Director of Public Safety, or the director's designee;
- (2) The Superintendent of Education, or the Superintendent's designee;
- (3) The Executive Director of the Hawaii State Foundation on Culture and the Arts or the Executive Director's designee;
- (4) The President of the Senate, or the President's designee;
- (5) The Speaker of the House of Representatives, or the Speaker's designee;
- (6) A representative from the Judiciary appointed by the Chief Justice; and
- (7) A police chief from one of the four counties, or the chief's designee.

Further resolves that the task force should consider:

- (1) Developing definitions for graffiti and graffiti related implements to aid in drafting legislation;
- (2) Developing anti-graffiti programs in schools and promoting youth diversion activities that encourage artistic expression through a lawful medium;
- (3) Controlling access to aerosol spray paint containers and other items that may be used for graffiti by requiring retailers to display and store these items in monitored locations;
- (4) Requiring retailers who sell items that may be used for graffiti to post signage educating customers about the graffiti law;
- (5) Developing legislation to assist law enforcement and judicial agencies in reducing graffiti vandalism;
- (6) Partnering with communities to establish graffiti hotlines and graffiti removal teams; and
- (7) Determining the amount spent on graffiti removal at schools and public spaces.

Requests the task force to submit a report, authored by the State Department of the Attorney General with consultation from representatives of the retail industry and community graffiti

clean-up groups, that addresses the problem of graffiti vandalism in Hawaii, and provides findings and recommendations, including any proposed legislation, to the Legislature no later than twenty days prior to the convening of the Regular Session of 2015.

HR 116, HD1

NATIVE HAWAIIAN PLANTS, PERPETUATION AND USE OF. Urges the Department of Agriculture to collaborate with the Department of Business, Economic Development, and Tourism in creating economic development initiatives for the perpetuation and use of Native Hawaiian plants and resources and to submit a report on the progress made concerning the establishment of economic development initiatives created for the perpetuation and use of Native Hawaiian plants and resources to the Legislature, no later than twenty days prior to the Regular Session of 2015.

(HSCR 1288-14, 1372-14)

HR 118

DEPARTMENT OF HAWAIIAN HOME LANDS HOMESTEAD PROGRAM, FUNDING FOR. Urges the members of Hawaii's Congressional Delegation to introduce federal legislation to provide the Department of Hawaiian Home Lands with funding for its Homestead Program, including the development of necessary infrastructure.

(HSCR 1262-14, 1487-14)

HR 119

KAHOOLAWE, FUNDING FOR RESTORATION. Urges the members of Hawaii's Congressional Delegation to introduce federal legislation to provide the Kahoolawe Island Reserve Commission with funding for the long term restoration of Kahoolawe.

(HSCR 1082-14, 1489-14)

HR 123, HD1

LAND ALONG WINDWARD COMMUNITY COLLEGE, OAHU, USE BY THE HAWAII STATE HOSPITAL. Urges the Department of Health and the University of Hawaii Windward Community College to conduct a community meeting to explain their current and ongoing plans for the parcels of land along the southern boundary of the Windward Community College campus.

Requires the State Hospital to include the proposed land exchange in discussions and development of the hospital's updated long range development plan.

Resolves that the Department and University submit a report on the land exchange and the Hawaii State Hospital's updated long range development plan to the Legislature at least twenty days prior to the convening of the Regular Session of 2015 and 2016.

(HSCR 1239-14)

HR 126

ELDER CARE WORKFORCE REQUIREMENTS. Requests the University of Hawaii and Department of Labor and Industrial Relations to conduct a review, by county, of the State's workforce requirements for professional and paraprofessional elder care partners for the next decade and submit their findings and recommendations, including any proposed legislation, to the Legislature no later than twenty days prior to the convening of the Regular Session of 2015. (HSCR 1318-14, 1491-14)

HR 129, HD1

MANTA RAY DIVE SITES, MANAGEMENT OF. See HCR 170.

(HSCR 1252-14, 1394-14)

HR 134

PUBLIC CONTRACTS, CONSIDERATION OF PAST PERFORMANCE AS A FACTOR IN AWARDING. See HCR 176.

(HSCR 1224-14, 1493-14)

HR 136

WALK-IN VOTING LOCATIONS. Requests the Office of Elections to increase the number of early walk-in voting locations and to especially consider the University of Hawaii system campus locations for additional early walk-in voting locations.

(HSCR 1440-14)

HR 157

IVORY, PROHIBITING THE SALE OF. Urges the federal government to enhance its enforcement of federal laws prohibiting the sale of ivory.

(HSCR 1391-14)

HR 159, HD1

SEPSIS AND SEPSIS DEATHS. See HCR 202.

(HSCR 1305-14, 1495-14)

HR 160

HAWAII HEALTH SYSTEMS CORPORATION'S OPERATING DEFICIT. Requests the Hawaii Health Systems Corporation and each of its 5 regional boards to submit long-term, multi-biennium plans to reduce the Corporation's operating deficits to the Legislature, not later than twenty days prior to the convening of the Regular Sessions of 2015 and 2016.

(HSCR 1094-14, 478-14)

HR 165

KAILUA, OAHU, AND KAILUA-KONA, HAWAII, FACEBOOK MISREPRESENTATION OF. Requests Facebook to assist the State of Hawaii by correcting inaccurate place names and location information that are perpetuated and widely distributed on Facebook pages to better protect the State's social and economic interests, that the name of the town of Kailua on the island of Oahu be changed from "Kailua Village, Honolulu County, Hawaii" to "Kailua, Honolulu County, Hawaii, and that the names for the town of Kailua-Kona on the island of Hawaii have associated maps corrected to reflect their location in Hawaii County on the island of Hawaii.

(HSCR 1421-14)

HR 167, HD2

ENERGY INCENTIVES FOR AGRICULTURAL ACTIVITIES. Urges the Public Utilities Commission to direct the Public Benefits Fee Administrator to consider energy efficiency and conservation programs to assist the agricultural sector, and to direct Hawaii's electric utilities to offer incentives for all agricultural activities, especially those engaged in the production of food for local consumption, that can be shifted to off peak times or are available to participate in demand response programs.

(HSCR 1220-14, 1408-14)

HR 174

PRESCHOOL, COST OF ESTABLISHING UNDER THE DEPARTMENT OF EDUCATION. Requests the Legislative Reference Bureau to study the cost of establishing public preschool under the Department of Education.

Requests the Department of Education to cooperate with the Bureau and to provide whatever information, assistance, and support may be requested by the Bureau.

Further requests the Bureau to submit a report of its findings and recommendations to the Legislature not later than twenty days prior to the convening of the Regular Session of 2015.

(HSCR 1301-14, 1481-14)

HR 180

OPIHI MANAGEMENT STUDY. Requests the Department of Land and Natural Resources to conduct an opihi management study on the replenishment of natural populations of all Hawaiian opihi species that:

- (1) Encompass all islands of the State, including the Northwestern Hawaiian Islands;
- (2) Recommend best management practices for each island area; and
- (3) Recommend effective enforcement mechanisms for implementing the best management practices.

Further requests the Department to consult with the Aha Moku Advisory Committee and any other individual or entity that has expertise that is relevant to the study.

Further requests the Department to submit its findings and recommendations, including any proposed legislation, to the Legislature no later than December 19, 2014.

HSCR 1250-14 (OMH) HSCR 1484-14 (FIN)

HR 185

OSHER LIFELONG LEARNING INSTITUTE ON UNIVERSITY OF HAWAII CAMPUSES. Requests the University of Hawaii to expand the Osher Lifelong Learning Institute to include all of the campuses within the University of Hawaii System.

(HSCR 1443-14)

HR 186

SUN DRIED FISH BUSINESS. Requests the Department of Health to conduct a study on the long standing cultural Hawaiian practice of sun drying fish to determine what can be done to preserve this cultural practice while protecting the public health and to extend relevant food establishment permits for affected sun dried fish businesses while this study is being conducted.

Further requests the Department to submit a report of its findings and recommendations, including any proposed legislation, to the Legislature no later than twenty days before the convening of the Regular Session of 2015.

(HSCR 1230-14, 1455-14)

HR 188

DEAF OR SEVERELY HARD OF HEARING CHILDREN, EDUCATION AND HEALTH CARE FOR. See HCR 238.

(HSCR 1228-14, 1456-14)

HR 191

NAHIKU BRIDGE, MAUI, JURISDICTION OF. See HCR 242.

(HSCR 1396-14)

HR 195

HEADSTONE FOR UNMARKED GRAVE OF A VETERAN. Urges the United States Congress and Department of Veterans Affairs to allow a third party with appropriate documentation to order a government headstone for the unmarked grave of a veteran.

(HSCR 1427-14)

HR 196

VETERANS INVOLVED IN THE CLEANUP OF THE UNITED STATES NUCLEAR TEST SITE ON LOJWA ISLAND, COMPENSATION AND HEALTH CARE BENEFITS FOR. Urges that Congress and the United States Department of Veterans Affairs to include within the definition of "Atomic Veteran" the veterans involved in the cleanup of the United States nuclear test site on Lojwa Island from 1977 to 1980 making them eligible to receive compensation and health care benefits from the United States government.
