

BILLS PASSED

BY THE

HAWAII STATE LEGISLATURE

REGULAR SESSION OF 2015

SHOWING ACTIONS TAKEN AS OF

May 7, 2015

Prepared by the:

Legislative Reference Bureau Systems Office
State Capitol, Room 413
415 South Beretania Street
Honolulu, HI 96813

Caveat: While all data are believed accurate, they are subject to change pending confirmation against official records kept by the respective Chief Clerk's offices.

FOREWORD

This publication contains brief descriptions of all bills passed by the Hawaii State Legislature during the Regular Session of 2015. We have included such data as the bill number, title, introducer, description, committee reports, current status, and sections of the Hawaii Revised Statutes affected by the bill. This publication reflects data recorded up to and including May 7, 2015, which is the date that the Legislature adjourned sine die. For your information, under Article III, Section 16 of the Hawaii State Constitution, the Governor has 45 days after adjournment sine die (not counting Saturdays, Sundays, and holidays), to consider bills for approval.

The Legislative Reference Bureau discourages the use of these descriptions of bills as a substitute for the bills passed by the Legislature. These descriptions are meant to be handy reference tools, not substitutes for the text. Copies of bills may be obtained at the various locations mentioned in this report.

This publication has been created by the Legislative Reference Bureau - Systems Office. Inquires on the approval of bills, their effective dates, subjects of bills passed, laws affected by bills passed, or any questions covering the data shown may be directed to Dwight Kagawa or Lori Lee Ohta. They are located at the State Capitol, Room 413 and their phone number is (808) 587-0700.

Charlotte A. Carter-Yamauchi
Acting Director
Legislative Reference Bureau

May 2015

RELATING TO NATURAL RESOURCES.

Introduced by: Thielen L

Requires the legislative reference bureau to conduct a study on how other select states administer, renegotiate, reopen, extend, or otherwise dispose of long term leases of public lands that are about to expire to determine how the respective government lessors manage, handle, or deal with leases that terminate within 10 years, and have leases or tenants who are unwilling or unable to secure financing to invest capital into improvements that they cannot recoup due to the limited remaining term of the lease. Requires the study to include the current best practices relating to the terms of commercial leases of public lands in Hawaii and in other jurisdictions. Allows the bureau to contract for outside services. Report to the legislature. Appropriations. (\$\$) -- SB0544 CD1

SB0871 SD1 HD3 CD1 (CCR 29)

RELATING TO HIGHWAY SAFETY.
Introduced by: English J, Chun Oakland S, Ruderman R, Inouye L, Green J, Dela Cruz D
Establishes provisions relating to reciprocal licensing privileges. Allows the director of transportation to grant reciprocal licensing privileges to any person 18 years of age or older who holds a license from another country or state, thereby allowing the examiner of drivers to waive examination requirements if that jurisdiction has procedures in place to verify the validity of the driver's licenses it issues, has granted a waiver of all or any part of the driver's license examination requirements for Hawaii licensed drivers applying for a driver's license in that jurisdiction, and the director determines that the standards of that jurisdiction for licensing operators of motor vehicles correspond substantially to those of this State. Requires the director to publish on the department of transportation's public internet site a list of the countries for which reciprocal operating privileges have been extended and those that have been withdrawn. Allows the director to require an applicant for reciprocal licensing privileges to provide translation of the license and documents from the other jurisdiction if the license and documents are in languages other than Hawaiian or English. -- Requires the examiner of drivers to do a check of the applicant's driving record as maintained by the jurisdiction of licensure. -- Allows the examiner to waive the actual demonstration of ability to operate a motor vehicle for any person who is at least 18 years of age and who possesses a valid driver's license issued to the applicant in any jurisdiction for which the director has granted reciprocal licensing privileges for the operation of vehicles. -- Repeals provisions relating to driver's license reciprocity committee. -- SB0871 CD1

SB0961 SD2 HD3 (HSCR 1633)

RELATING TO MENTAL HEALTH TREATMENT.

Introduced by: Chun Oakland S, Green J

Amends provisions relating to initiation of proceeding for assisted community treatment. Changes the petition accompanied by a certification of a licensed psychiatrist who has examined the subject of the petition from at any time to no longer than 20 calendar day prior to the filing of the petition. Provides that the petition, an examination shall be considered valid so long as the licensed psychiatrist has obtained enough information from the subject of the petition to reach a diagnosis of the subject of the petition, and to express a professional opinion concerning the same, even if the subject of the petition is not fully cooperative. Repeals the provision that requires if the subject of the petition has refused to submit to examination by a licensed psychiatrist, the fact of the refusal shall be alleged in the petition. Amends provisions relating to hearing date. Repeals the 10 day filing period to the family court. Requires notice of all subsequent hearings to be served and in accordance with all applicable family court rules relating to service of notice, including that service need not be made on parties in default for failure to appear. Allows the court to appoint a guardian ad litem to represent the best interests of the subject through the proceedings. Requires the public defender or other court appointed counsel to represent the subject upon filing of the petition; a copy of the petition to be served upon the public defer by the petitioner; and the public defender or the court appointed counsel may withdraw upon a showing that the subject is not indigent; and if the subject does not desire representation the court may discharge the attorney after finding that the subject understands the proceedings and the relief prayed for in the petition. Provides that no subject of the petition shall be ordered to receive assisted community treatment unless at least 1 psychiatrist testifies in person at the hearing who has personally assessed the subject, within a reasonable time before the filing of the petition up to the time when the psychiatrist provides oral testimony at court. Repeals that the subject of the petition has refused to be examined by a licensed psychiatrist; requires that the subject of the petition's refusal to submit voluntarily to examination to be treated as a denial that the subject is mentally ill or suffering from substance abuse. Amends provisions relating to right to representation by public defender or other appointed counsel. Changes involuntary outpatient treatment to assisted community treatment. -- Amends Act 221, session laws of 2013, by requiring treating providers to provide information and data obtained related to MH-1s (MH 1s) and hospitalization of persons who are under an order to treat to the department of health, or its designee. Annual report to the legislature. -- SB0961 HD3

SB1090 SD2 HD1 CD1 (CCR 96)

RELATING TO THE EMPLOYEES' RETIREMENT SYSTEM.

Introduced by: Kim D (BR)

Amends provisions relating to information from the State and counties. Requires the employees' retirement system to require any department or agency of the State or counties to furnish the information to the system within 180 days from the date of receipt of the notice of a change in the required format to update the format. Requires the system to furnish information in electronic format and certain information with respect to payroll and personnel transaction. Includes any indicated changes or errors in payments that require correcting or updating. Requires all departments and agencies of the State or counties to furnish the information required by the system in the format required by the system. Provides that if a department or agency of the State or county fails to furnish the system with the information required, the amount to be paid by the State or county will be relative to that department or agency and shall be paid to the system, on the 1st day of the following fiscal year in which the failure to furnish the required information occurred, an amount equal to the employer contributions payable by the State or county. Requires the amount to be applied to contributions required under payment of state contributions to the system and under payment of county contributions to the system. Provides that if full payment of the amount required is not made by the State or county on the 1st day of the fiscal year, then any unpaid amounts shall bear interest and any subsequent payments shall be applied 1st to accrued interest and then to the amount required to be paid. Allows the system to waive the requirements if the system determines the failure by the department or agency to furnish the required information in the required format is the result of an unforeseen system failure, natural disaster, or other unforeseen event. Requires the department of budget and finance and the employees' retirement system to report annually to the legislature. -- Requires the employees' retirement system to submit reports to the legislature on the progress of state and county departments and agencies in their efforts to comply with provisions relating to information from the State and counties, by July 1, 2020, and that the reports be submitted in 2016, 2017, 2018, 2019, and 2020. -- SB1090 CD1

SB1094 SD2 HD1 CD1 (CCR 13)

RELATING TO INSURANCE.

Introduced by: Kim D (BR)

Amends the insurance law. Requires a purchasing group that intends to do business in this State to pay an initial registration fee of 300 dollars to the insurance commissioner and to pay annually a service fee of 150 dollars on or before August 16 of each year. Requires a risk retention group chartered in states other than this State and seeking to do business as a risk retention group in this State to pay an initial registration fee of 300 dollars to the insurance commissioner and to pay annually a service fee of 150 dollars on or before August 16 of each year. Requires all fees and penalties collected to be deposited to the credit of the compliance resolution fund. Amend the mutual benefit societies law. Allows the insurance commission to collect advance fees for certificate of authority; organization of domestic fraternal benefits societies and all services subsequent to the issuance of certificate of authority, including extension of certificate of authority. Requires all fees and penalties collected to be deposited to the credit of the compliance resolution fund. Amends the market conduct law. Changes the term accident and health to disability income. Amends provisions relating to fees under fees, taxes, and deposits. Adds application for a certificate of authority 900 dollars and issuance of certificate of authority 600 dollars. Requires the insurance commissioner to provide notice in writing of the delinquency of extension and the imposition of the authorized penalty. Repeals any risk retention group doing business in this State to submit to the insurance commissioner a copy of the group's financial statement submitted to the insurance commissioner of its state of domicile, which shall be certified by an independent public accountant and contain a statement of opinion on loss and loss adjustment expense reserves made by a member of the American Academy of Actuaries or a qualified loss reserve specialist under criteria established by the National Association of Insurance Commissioners. Repeals the authority of societies and all societies licensed to be renewed annually to pay the commissioner 7.50 dollars. Changes registered mail to certified mail. Increase fees for application for a certificate of authority to 900 dollars

SENATE BILLS THAT PASSED THE LEGISLATURE

and for all services subsequent to the issuance of certificate of authority, including extension of the certificate of authority to 300 dollars per year. Prohibits certificate of authority to contain an expiration date, but all certificates of authority must be extended from time to time in order to continue to be valid. Require the commissioner to provide notice in writing of the delinquency of extension and the imposition of the authorized penalty. Requires penalties collected to be deposited to the credit of the compliance resolution fund. Amends the dental insurers law. Requires the insurance commissioner to collect, in advance fees for certificate of authority; increases application for a certificate of authority to 900 dollars and for all services subsequent to the issuance of a certificate of authority, including extension of the certificate of authority to 600 dollars. Requires the commissioner to determine the date prior to which the certificate of authority must be extended and to notify the insurer in writing. Provides that the extension date shall be any date not less than 1 year and not more than 3 years after date of issue or extension of the certificate of authority and provide notice in writing of the delinquency of extension and imposition of the authorized penalty. Allows the commission to revoke rather than suspend the certificate of authority and may not reinstate the certificate of authority until the fee and penalty have been paid. Establishes provisions relating to rerating. Prohibits a person, business, or entity to change or rerate any rate approved by the insurance commissioner in any subsequent transfer, sale, resale, or pass through of health insurance issued by a managed care plan. Amends provision relating to suspension, revocation, or denial of certificate of authority. Provides that any certificate of authority issued may be suspended or revoked, and any application for certificate of authority may be denied, if the insurance commissioner finds that the mutual benefit society is operating significantly in contravention of its basic organizational document or in a manner contrary to that described in any other information submitted, unless amendments to the submissions have been filed with and approved by the commissioner; the mutual benefit society is no longer financially responsible and may reasonably be expected to be unable to meet its obligations to its members and beneficiaries or prospective members; the mutual benefit society has failed to correct, within the time prescribed, any deficiency occurring due to the mutual benefit society's prescribed minimum net worth being impaired; the mutual benefit society, or any person on its behalf, has advertised or merchandised its services in an untrue, misrepresentative, misleading, deceptive, or unfair manner; the continued operation of the mutual benefit society would be hazardous to its members; or the mutual benefit society has otherwise failed substantially to comply. Establishes administrative fines. Amends provisions relating to mental health and alcohol and drug abuse treatment insurance benefits by changing drug abuse disorder to substance use disorder. Changes the term partial hospitalization services to partial hospitalization. Repeals serious mental illness. Defines emergency services to include severe pain. -- SB1094 CD1

SB1113 SD2 HD1 CD1 (CCR 48)

RELATING TO BACKGROUND CHECKS.

Introduced by: Kim D (BR)

Amends provisions relating to criminal history record checks by changing it with background checks under health law. Defines background check to mean a review of records stored in state or national record repositories for history of abuse, neglect, threatened harm, or other maltreatment against children or adults, and for any criminal history. Redefines healthcare facility to mean a facility setting or agency licensed or certified by the department of health that provides mental health or health care services or living accommodations to individuals, such as a skilled nursing facility, intermediate care facility, adult residential care home, expanded adult residential care home, assisted living facility, home health agency, home care agency, hospice, adult day health center, special treatment facility, therapeutic living program, intermediate care facility for individuals with intellectual disabilities, hospital, rural health center, community care foster family home, home and community based case management agency, adult day care center, developmental disabilities domiciliary home, adult foster home for individuals with developmental disabilities, community mental health center, and rehabilitation agency. Provides that the department or its designee, in obtaining and relying upon the background check information, is presumed to be acting in good faith and shall be immune from civil liability for taking or recommending action based upon the background check information and the presumption of good faith may be rebutted upon a showing of proof by a preponderance of the evidence that the department or its designee relied upon information or opinion that it knew was false or misleading or that such reliance was not reasonable. Repeals provisions relating to background checks. -- SB1113 CD1

SB1291 SD2 HD2 CD1 (CCR 49)

RELATING TO MEDICAL MARIJUANA.

Introduced by: Keith-Agaran G, English J, Ruderman R, Espero W

Establishes the medical marijuana (cannabis) patient and caregiver protections. Prohibits a school to refuse to enroll or otherwise penalize, and landlord to refuse to lease property to or otherwise penalize, a person solely for their status as a qualifying patient or primary caregiver in the medical marijuana program, unless failing to do so would cause the school or landlord to lose a monetary or licensing related benefit under federal law or regulation; provided that the qualifying patient or primary caregiver strictly complied with the requirements of this part. Provides that for the purposes of medical care, including organ transplants, a registered qualifying patient's use of marijuana in compliance shall be considered the equivalent of the use of any other medication under the direction of a physician and shall not constitute the use of an illicit substance or otherwise disqualify a registered qualifying patient from medical care. Prohibits a qualifying patient or primary caregiver to be denied custody of; visitation with; or parenting time with a minor, and there shall be no presumption of neglect or child endangerment, for conduct allowed; provided that shall not apply if the qualifying patient's or primary caregiver's conduct created a danger to the safety of the minor as established by a preponderance of the evidence. -- Establishes provisions relating to medical marijuana; discrimination under the planned community associations law, the condominium property regimes law, and the condominiums law. Provides that nothing shall be construed to diminish the obligation of a planned community association; a condominium property regime; or a condominium association to provide reasonable accommodations for persons with disabilities. -- SB1291 CD1

HB0321 HD1 SD2 CD1 (CCR 170) RELATING TO MEDICAL MARIJUANA.
Introduced by: Souki J, Belatti D, Saiki S, Creagan R, Takayama G, Luke S, Nishimoto S, Takumi R, Rhoads K, Lee C, Evans C, San Buenaventura J, Morikawa D, Ing K, Hashem M, Mizuno J, McKelvey A, Brower T, Nakashima M, Thielen C, Kobayashi B
Establishes provisions relating to the medical marijuana (cannabis) dispensary system. Prohibits a person to operate a medical marijuana dispensary unless the person has a license issued by the department of health. Requires the director of health to grant medical marijuana dispensary licenses to allow dispensaries to produce, manufacture, and dispense marijuana and manufactured marijuana products. Provides that each license shall allow production, manufacture, and dispensing of marijuana and manufactured marijuana products only in the county for which the license is granted. Requires the department to issue 8 dispensary licenses statewide, 3 for the city and county of Honolulu, 2 each for the county of Hawaii and the county of Maui, and 1 for the county of Kauai and none for the county of Kalawao. Allows up to 2 production centers under each license, limited to a maximum of 3,000 plants. Allows each licensee to establish 2 retail dispensing locations. Establishes qualification for licensure, non refundable licensing fee, dispensary license fee, and annual renewal fee. Fees to be deposited in the medical marijuana registry and regulation special fund. Requires the department to provide for selection process and criteria based on merit. Requires the department to The department to establish, maintain, and control a computer software tracking system that shall have real time, 24 hour access to the data of all dispensaries relating to the total amount of marijuana in possession of all dispensaries from either seed or immature plant state, including all plants that are derived from cuttings or cloning,

HOUSE BILLS THAT PASSED THE LEGISLATURE

until the marijuana, marijuana plants, or manufactured marijuana product is sold or destroyed; the total amount of manufactured marijuana product inventory, including the equivalent physical weight of marijuana that is used to manufacture manufactured marijuana products, purchased by a qualifying patient and primary caregiver from all retail dispensing locations in the State in any 15 day period; the amount of waste produced by each plant at harvest; and the transport of marijuana and manufactured marijuana products between production centers and retail dispensing locations, including tracking identification issued by the tracking system, the identity of the person transporting the marijuana or manufactured marijuana products, and the make, model, and license number of the vehicle being used for the transport. Requires the department to establish medical marijuana dispensary rules and establish and enforce standards for laboratory based testing of marijuana and manufactured marijuana products prior to sale. Establishes the types of medical marijuana that may be manufactured and distributed. Requires the department to establish standards regarding advertising and packaging of marijuana and manufactured products. Requires criminal history background checks of each applicant and licensee. Establishes dispensing limits to qualifying patient or primary caregiver. Establishes prohibited acts related to exceeding limits, fraud; criminal offense, unauthorized access to retail dispensing location; criminal offense, unauthorized access to production centers; prohibition of distribution of medical marijuana and medical marijuana products to minors; diversion from dispensary or production center; criminal offense, alteration or falsification of medical marijuana dispensary records; law enforcement access to dispensary and production center records; and revocation and suspension of licenses. Requires compliance with all county zoning ordinances, rules, and regulations. Requires medical marijuana production center and dispensary licensed to be subject to an annual announced inspection and unlimited unannounced inspections of its operations by the department; submit reports on at least a quarterly basis, or as otherwise required, and in the format specified by the department; and annually cause an independent financial audit, at the dispensary licensee's own expense, to be conducted of the dispensary, its production center, and retail dispensing locations and shall submit the audit's findings to the department. Requires the department to annually report to the legislature and the governor. -- Amends provisions relating to medical marijuana registry special fund; established by adding regulation. Requires funds to be expended at the discretion of the director of health to include to establish and regulate a system of medical marijuana dispensaries in the State. Establishes a sub account into which shall be deposited medical marijuana registration fees and dispensary license fees. -- Establishes protections afforded to an owner or qualified employee of a licensed dispensary. -- Establishes provisions relating to prohibited acts; flammable solvents. Prohibits a qualifying patient or primary caregiver to use flammable solvents to extract tetrahydrocannabinol from marijuana plants and make it a class C felony. -- Redefines adequate supply to include any combination of usable marijuana and marijuana products manufactured that exceed 4 ounces of usable marijuana or the equivalent of 4 ounces of usable marijuana. Includes post traumatic stress disorder. -- Exempts authorization for the medical use of marijuana to include any other place open to the public; provided that a qualifying patient, parent, primary caregiver, or an owner or employee of a medical marijuana dispensary licensed shall not be prohibited from transporting medical marijuana in any public place. -- Changes the requirement that the certifying physician be the qualifying patient's primary care physician to the certifying physician to be required to have a bona fide physician patient relationship with the qualifying patient. Appropriation into the special fund and out of the fund for staff and program. Provides that not later than July 1, 2016, requires the department of health to establish and commence a repayment plan and schedule to repay to the general fund. Report to the legislature. RELATING TO THE HOSPITAL SUSTAINABILITY PROGRAM.

Introduced by: Belatti D

HOUSE BILLS THAT PASSED THE LEGISLATURE

Amends Act 217, session laws of 2012, as amended by Act 141, session laws of 2013, and Act 123, session laws of 2014 by extending the sunset date for hospital sustainability program. Increases the inpatient hospital sustainability fee to be 1.892 per cent of net inpatient hospital service revenue. Increase exemption for hospital net outpatient revenue of less than 45,000,000 dollars to 50,000,000 dollars per year. Requires an entity to pay the hospital sustainability fee for each hospital separately, unless it operates and files more than 1 hospital under a single medicare cost report. Changes the hospital sustainability program special fund to make direct payments to private hospitals pursuant to the terms of the section 1115 waiver, in an amount equal to 88,000,000 dollars to cover the uncompensated care costs incurred by private hospitals for serving medicaid and uninsured individuals during state fiscal year 2015 - 2016. Requires the department of human services to use moneys solely from the hospital sustainability program special fund to make direct upper payment limit payments in an amount equal to 3,975,442 dollars, pursuant to the terms of the section 1115 waiver to level 2 trauma centers verified by the American College of Surgeons and designated the department of health, including recognized specialty children's hospitals that do not pay both the inpatient and outpatient assessments. Changes the uncompensated care costs reported by all private hospitals for fiscal year from 2011 - 2012 to 2012 - 2013 to include outpatient uncompensated care costs shall be reimbursed at 100 per cent of reported uncompensated care costs and inpatient uncompensated care costs shall be reimbursed on a prorated share based on the remaining uncompensated care amounts available through the section 1115 waiver. Requires each eligible hospital's quarterly payment to be equal to 1/4 of its share of upper payment limit payments for the fiscal year in which payment is made and receive their payment based on their medicaid utilization to ensure access to care for that beneficiary population. Act to be repealed on June 30, 2016 (sunset). -- Amends Act 123, Session laws of Hawaii 2014, exemption repealed on December 31, 2016 (sunset). Amends provisions relating to transfers from special funds for central service expenses. Exempts the hospital sustainability program special fund. Appropriation to the department of human services for the hospital sustainability program special fund. (\$\$) -- HB0581 CD1

HB1075 HD2 SD2 CD1 (CCR 8)

RELATING TO HEALTH.

Introduced by: Souki J, McKelvey A, Mizuno J, Brower T, Belatti D
Establishes provisions relating to public private partnerships for the delivery of health care services at Maui regional system facilities. Requires the governor with the assistance with the assistance of the chief executive officer of the corporation, and the regional chief executive officer of the Maui regional system, or their designees to negotiate with a private entity to transfer the right and responsibility to manage, operate and otherwise provide health care services at 1 or more of its facilities of the Maui regional system, including Maui memorial medical center, Kula hospital and clinic, and Lanai community hospital, to a nonprofit management entity wholly owned by the private entity; provided that the private entity submit a statement of interest in acquiring the right and responsibility to manage, operate and otherwise provide health care services. Requires any agreement negotiated, at minimum, include a transfer completion date and a plan and schedule for completing the transfer. Provides that any documents associated with the transition to be subject to legal review by the attorney general and the director of finance in their capacity to advise the governor. Requires the corporation to enter into a fixed term lease with the nonprofit management entity to rent the real property, including all improvements and fixtures on the property that is to be transferred to the private entity or its nonprofit management entity. Requires the State, the Maui regional system board, or the corporation, separately or collectively, to be responsible for any and all obligations incurred by the facility or facilities to be transferred. Provides that the corporation, and unions representing employees involved to meet to discuss the impact of the transition on its employees and adverse effect of layoffs by amending the employees' collective bargaining agreements. Prohibits employee of the corporation who is separated from service as a result of implementation of an agreement and transition to suffer loss of any previously earned rights, benefits or privileges. Requires the nonprofit management entity to take all reasonable steps necessary to provide for a smooth transition of employees from state employment to private employment by the nonprofit management entity at a transitioned facility. Allows a nonprofit management entity or the Maui regional system to seek funds from the State for its operating costs of a transitioned facility by preparing a budgetary request in accordance with procedures and criteria established by the director of finance; for capital expenditures for a transitioned facility for each or all of the 1st 10 years of the lease in accordance with procedures and criteria established by the director of finance. -- Amends provisions relating to negotiating authority; Hawaii health systems corporation. Provides that an alteration that intrudes beyond the jurisdiction of the Hawaii health systems corporation shall be effective only if the employer of the governmental jurisdiction intruded upon consents to the alteration in writing. Repealed 1 year after the transfer completion date (sunset). -- Requires the governor to inform the president of the senate and the speaker of the house of representatives of the transfer completion date specified in each agreement negotiated and entered into, by sending a copy of each fully executed agreement. -- HB1075 CD1
