

BILLS PASSED

BY THE

HAWAII STATE LEGISLATURE

REGULAR SESSION OF 2018

SHOWING ACTIONS TAKEN AS OF

May 3, 2018

Prepared by the:

Legislative Reference Bureau Systems Office
State Capitol, Room 413
415 South Beretania Street
Honolulu, HI 96813

Caveat: While all data are believed accurate, they are subject to change pending confirmation against official records kept by the respective Chief Clerk's offices.

FOREWORD

This publication contains brief descriptions of all bills passed by the Hawaii State Legislature during the Regular Session of 2018. We have included such data as the bill number, title, introducer, description, committee reports, current status, and sections of the Hawaii Revised Statutes affected by the bill. This publication reflects data recorded up to and including May 3, 2018, which is the date that the Legislature adjourned sine die. For your information, under Article III, Section 16 of the Hawaii State Constitution, the Governor has 45 days after adjournment sine die (not counting Saturdays, Sundays, and holidays), to consider bills for approval.

The Legislative Reference Bureau discourages the use of these descriptions of bills as a substitute for the bills passed by the Legislature. These descriptions are meant to be handy reference tools, not substitutes for the text. Copies of bills may be obtained at the various locations mentioned in this report.

This publication has been created by the Legislative Reference Bureau - Systems Office. Inquires on the approval of bills, their effective dates, subjects of bills passed, laws affected by bills passed, or any questions covering the data shown may be directed to Dwight Kagawa or Lori Lee Ohta. They are located at the State Capitol, Room 413 and their phone number is (808) 587-0700.

Charlotte A. Carter-Yamauchi
Director
Legislative Reference Bureau

SENATE BILLS THAT PASSED THE LEGISLATURE

SB0048 SD3 HD2 CD1 (CCR 160-18) RELATING TO TECHNOLOGY.

Introduced by: English J

Establishes provisions relating to strategic development programs. Establishes the Hawaii innovation, technology, and research corporation revolving fund. Provides that the fund shall not be considered part of the general fund and shall include all moneys appropriated by the legislature, received as repayments of loans, earned on investments, received pursuant to a venture agreement, received as royalties, received as premiums or fees charged by the corporation, or otherwise received by the corporation. -- Establishes the hydrogen investment capital special fund. Establishes the fund into which shall be deposited appropriations made by the legislature to the fund; all contributions from public or private partners; all interest earned on or accrued to moneys deposited in the special fund; and any other moneys made available to the special fund from other sources to provide seed capital for and venture capital investments in private sector and federal projects for research, development, testing, and implementation of the Hawaii renewable hydrogen program. -- Allows the corporation to contract with other, public or private, for the provision of all or a portion of the services necessary for the management and operation of the corporation. Requires the corporation to develop procedures to set priorities as to which types of businesses and industries are most likely to provide significant opportunities for economic development and diversification in the State. Requires the board of directors of the development corporation to approve or disapprove requests for assistance within 90 days of receiving a written application. -- Establishes provisions relating to program for seed capital assistance and program for venture capital assistance. Requires the corporation to establish the programs. Allows the corporation to invest in certified development company, small business investment company, minority enterprise small business investment corporation, similar entity that may leverage its capital under a federal program, or a seed capital fund or partnership. -- Establishes provisions relating to program for capital access. Requires the corporation to establish the program which allows the corporation to procure insurance. -- Establishes provisions relating to the formation of Hawaii technology investment program. Requires the corporation to establish the program to allow individual investors to contribute to the program to invest venture capital in businesses in Hawaii. -- Amends the Hawaii technology development corporation law by changing it to the Hawaii innovation, technology, and research corporation law. Transfers all rights, powers, functions, and duties of the Hawaii technology development corporation to the Hawaii innovation, technology, and research corporation. -- Repeals the Hawaii strategic development corporation law and transfers all rights, powers, functions, and duties to the corporation. -- Amends Act 49, session laws of 2017. -- Authorizes the director of finance to transfer funds from the technology special fund to the general fund. Appropriation for personal services to convert 1.50 permanent positions and 6.25 temporary positions in the corporation from special funds to general funds. -- Appropriation for 1 permanent full time technology park coordinator position (1.0 FTE) and for a 1st responders technology park proof of concept. (\$\$) -- SB0048 CD1

SB0208 SD2 HD1 CD1 (CCR 33-18)

RELATING TO UNCLAIMED LIFE INSURANCE BENEFITS.

Introduced by: Kidani M, Baker R, Espero W, Keith-Agaran G, Inouye L, English J

Establishes the unclaimed life insurance benefits act. Establishes provisions relating to insurer conduct. Requires an insurer to perform a comparison of its insureds' in force policies, contracts, and retained asset accounts against a death master file, on at least a semi annual basis, by using the full death master file once; using the death master file update files for future comparisons to identify potential matches of its insureds; and identify potential matches of its insureds using a death master file match within 90 days of a death. Provides that nothing shall limit the insurer from requesting a valid death certificate as part of any claims validation process. Prohibits an insurer or its service provider to charge any beneficiary or other authorized representative for any fees or costs associated with a death master file search or verification of a death master file match. Requires the insurer to notify the director of finance, upon the expiration of the statutory time period for escheat that a policy or contract beneficiary or retained asset account holder has not submitted a claim with the insurer; and the insurer has complied with insurers conduct and has been unable, after good faith efforts documented by the insurer, to contact the retained asset account holder, beneficiary, or beneficiaries. Allows the insurance commissioner to make an order limiting an insurer's death master file comparisons to the insurer's electronic searchable files or approving a plan and timeline for conversion of the insurer's files to electronic searchable files; exempting an insurer from the death master file comparisons or permitting an insurer to perform such comparisons less frequently than semi annually upon a demonstration of hardship by the insurer; or phasing in compliance according to a plan and timeline approved by the commissioner. Provides that failure to meet any requirement of this provision by an insurer shall constitute an unfair or deceptive act or practice. -- SB0208 CD1

RELATING TO WORKERS' COMPENSATION.

Introduced by: Baker R, Inouye L, Kim D, Tokuda J, Gabbard M, Keith-Agaran G

Establishes provisions relating to opioid therapy; qualifying injured employees; informed consent process. Beginning on July 1, 2019, requires any health care provider authorized to prescribe opioids to adopt and maintain written policy or policies, that include execution of a written agreement to engage in an informed consent process between the health care provider authorized to prescribe opioids and a qualifying injured employee. Provides that if the qualifying injured employee is unable to physically or mentally execute the written agreement due to the injury, then the physician shall execute the agreement as soon as the employee's condition improves and at no time shall the employee be responsible for the payment of the medication prescribed. Requires the department of health to develop and make available a template for an opioid therapy informed consent process agreement pursuant to provisions relating to opioid therapy informed consent process; requirement for written policies and posted to the departments website no later than December 31, 2018. -- Establishes provisions relating to qualifying injured employees; initial concurrent prescriptions; opioids and benzodiazepines. Provides initial concurrent prescriptions for opioids and benzodiazepines shall not be for longer than 7 consecutive days, unless it is determine to be reasonably needed for the treatment of pain experienced while the qualifying injured employee is in post operative care; chronic pain and pain management; substance abuse or opioid or opiate dependence; cancer; pain experienced while the qualifying injured employee is in palliative or hospice care. Further allows a practitioner to prescribe subsequent prescriptions through a telephone consultation when the provider deems it to be reasonably needed for post operative care and pain management and to consult with a qualifying injured employee in person at least once every 90 days for the duration during which the practitioner concurrently prescribes opioids and benzodiazepines. -- Amends provisions relating to prescription drugs; pharmaceuticals. Provides that initial concurrent prescriptions for opioids and benzodiazepines shall meet the requirements under provisions relating to qualifying injured employees; initial concurrent prescriptions; opioids and benzodiazepines. -- SB2244 CD1

Introduced by: Espero W, Harimoto B, Green J

SENATE BILLS THAT PASSED THE LEGISLATURE

Establishes the ohana zones pilot program to provide temporary housing and services to homeless individuals and families based on principles similar to housing 1st program. Requires the governor to designate an executive branch agencies to develop and implement the program, including an agency with specific expertise in construction development and agency with specific expertise in administering homeless services. Requires the governor, through the governor's designated agencies to determine the number and locations of the zones, which shall be situated on public lands and identify at least 3 sites on Oahu and 1 site on each of the islands of Hawaii, Kauai, and Maui. Allows the agencies designated to coordinate with public or private entities, as appropriate, to develop and implement the zones pilot program. Exempts contracts entered into by the agencies designated from the requirement of provisions relating to the Hawaii public procurement code law and purchases of health and human services law. Requires agencies designated by the governor to establish a monthly timetable of milestones that the agencies expect to meet in establishing 1 or more ohana zones over the course of the 3 year pilot program; the specific, measurable, attainable, reasonable, and time based performance measures that the agencies expect to meet at the end of each fiscal year; the evaluation criteria and process that the agencies intend to use each year when reviewing the success and sustainability of the ohana zones; and the monitoring and oversight controls that the agencies will have over the ohana zones to identify, address, and prevent possible fraud, waste, and abuse and ensure compliance with local, state, and federal laws. Requires the governor's coordinator on homelessness to compile and consolidate information from the agencies designated and submit reports to the legislature. Pilot program to cease to exist on June 30, 2021 (sunset). Appropriation. -- Establishes within the department of human services the emergency department homelessness assessment pilot program. Requires the department in consultation with the Hawaii interagency council on homelessness and any other appropriate agency to serve as the administrator of the pilot program. Requires the program to consist of multidisciplinary teams composed of but not limited to physicians, advanced practice registered nurses, social workers, and patient navigators who are employed by a participating hospital in the participating hospital's emergency department. Requires the team to identify patients who are experiencing homelessness or patients at risk of experiencing homelessness and have high utilization of emergency department services; assess the patient's current circumstances; and coordinate and refer these patients to appropriate and available wrap around supports and community resources along the entire continuum of care with a goal of reducing costs associated with chronic use of hospital emergency departments. Requires the department of human services to work with the participating hospital under the emergency department homelessness assessment pilot program to collect and analyze data to be included in a report that contains a summary and explanation of the data regarding the efficacy of emergency department intervention by the multidisciplinary team in mitigating the number of unnecessary emergency department visits by patients experiencing homelessness or patients at risk of experiencing homelessness. Exempts the department from purchases of health and human services law. Pilot program to cease to exist on June 30, 2019 (sunset). Appropriation. -- Established within the department of health a pilot program to be known as the medical respite pilot program. Requires the department of health, in consultation with the Hawaii interagency council on homelessness and any appropriate agency to serve as the administrator of the pilot program. Requires a participating community human services provider, in partnership with a hospital in the pilot program to provide emergency housing for eligible individuals experiencing homelessness discharged from the participating hospital and provide, at minimum, meals, case management, medical, nursing, and psychiatric care. Requires the medical respite facilities to comply with the department of health's standards of accessibility, sanitation, and other requirements as determined by the department for facilities of similar use. Report to the legislature. Exempts the department from purchases of health and human services law. Pilot program to cease to exist on June 30, 2019 (sunset). Appropriation. Appropriation to the department of human services to establish and administer a new family assessment center for homeless families that is in addition to any family assessment center for homeless families currently in existence. Appropriation to the department of health to continue administering the law enforcement assisted diversion pilot program; provided that the department of health shall establish 1 site located on the island of Maui for which the department shall receive 200,000 dollars of the sum appropriated and 1 site located on the island of Hawaii for which the department shall receive 200,000 dollars of the sum appropriated. SB2488 SD2 HD1 CD1 (CCR 13-18)

RELATING TO MEDICAL CANNABIS.

Introduced by: Baker R, Ruderman R, Tokuda J, Galuteria B, Gabbard M, Keith-Agaran G

Established the medical cannabis insurance reimbursement working group to address the complexities surrounding the topic of making medical cannabis reimbursable by health insurance. Requires the working group to explore options and make recommendations on actions taken in other states; potential parallel reimbursement models for other types of non prescription therapies; associated liability issues for health plans; potential impact on insurance premiums; insurance riders for alternative therapies, which could serve as a model for medical cannabis reimbursement; and other relevant issues that may arise, at the discretion of the group. Allows the working group to request assistance and feedback from subject matter experts, as needed, to enable the working group to carry out its work. Requires the working group to provide periodic updates to the legislature to address issues surrounding insurance reimbursement for medical cannabis. Report to the legislature. Requires the legislative reference bureau to provide assistance, including research and drafting assistance to the working group. -- SB2488 CD1

SB2490 SD1 HD2 CD1 (CCR 34-18)

RELATING TO THE MOTOR VEHICLE INDUSTRY LICENSING ACT.

Introduced by: Baker R, Tokuda J, Keith-Agaran G

Establishes provisions relating to used vehicle recall; stop-sale orders. Requires a manufacturer to compensate its new motor vehicle dealers for all labor and parts required by the manufacturer to perform recall repairs and compensation for recall repairs shall be reasonable. Requires the manufacturer to compensate the dealer at a prorated rate of at least 1 per cent of the value of the vehicle per month, beginning on the date that is 30 days after the date on which the stop sale order was provided to the dealer until a time certain if parts or a remedy are not reasonably available to perform a recall service or repair on a used vehicle held for sale by a dealer authorized to sell and service new vehicles of the same line make within 30 days of the manufacturer issuing the initial notice of recall, and the manufacturer has issued a stop sale order on the vehicle. Establishes provisions for parts or remedy availability and reimbursement. -- Amends provisions relating to motor vehicle industry licensing act. Authorizes motor vehicle dealer locations in the same county and affiliated by common ownership with the location for which the license is issued to engage in the same business at branch locations for which the license is issued during the term thereof; provided that each motor vehicle dealer location affiliated by common ownership shall obtain prior approval from the motor vehicle industry licensing board before transferring salespersons between dealer locations. -- Amends provisions relating to reciprocal rights and obligations among dealers, manufacturers, and distributors of motor vehicles. -- Amends provisions relating to reciprocal rights and obligations among dealers, manufacturers, and distributors of motor vehicles. Prohibits a manufacturer or distributor to require a dealer to construct, renovate, or make substantial alterations to the dealer's facility if the dealer has completed a construction, renovation, or substantial alteration to the same component of the facility that was required and approved by the manufacturer or distributor within the previous 10 years. Provides that a performance standard is unreasonable, arbitrary, or unfair if the standard does not include all relevant local market factors, including market demographics, change in population, product popularity, number of competitor dealers, and consumer travel patterns. Prohibits a manufacturer to require a dealer who is constructing, renovating, or substantially altering its dealership facility from using a vendor not chosen by the manufacturer. Prohibits manufacturer's from requiring dealers

SB2524 SD1 HD1 CD1 (CCR 158-18) RELATING TO COUNTY LAND USE REQUIREMENTS.
Introduced by: Dela Cruz D, Kidani M, Nishihara C, Galuteria B, Inouye L, Wakai G
Establishes provisions relating to proposed land sale; agricultural and preservation lands; public notice. Provides that if any parcel of land is subdivided as a condominium property regime in agricultural or preservation lands within a county with a population of 750,000 or more, requires the owner of the parcel to provide public notification of the sale no later than 90 days after the sale of the parcel. Amends provisions relating to permissible uses within the agricultural districts. Provides that in a county with a population of 750,000 or more, prohibits residential use of such sheds or other structures for any length of time to be permitted unless such use is permitted under county ordinances and rules. Allows any person owning property in the community adjacent to agricultural lands to report in writing a violation to the respective county enforcement authority. Requires the county to provide a report to the department of agriculture on an annual basis that includes a summary of all written violations, the results of the county's investigation, and any fines levied. -- Amends provisions relating to supplemental county rules governing a condominium property regime by adding ordinances. Allows a county to adopt supplemental ordinances and rules governing condominium property regimes in a county with a population of 750,000 or more. -- Amends provisions for application for registration. Requires an application for registration of a project in a county agricultural zoning district classified pursuant to provisions relating to land use commission law in a county with a population of 750,000 or more, may include comments on the availability of supportive infrastructure, the potential impact on environmental resources, and other requirements of county ordinances and rules. -- SB2524 CD1

- SB2612 SD1 HD1 CD1 (CCR 122-18) RELATING TO LIQUOR LICENSES.
Introduced by: Keith-Agaran G, English J, Inouye L, Galuteria B, Baker R
Amends provisions relating to licenses, classes under intoxicating liquor law. Provides that under a class 10 special license any social club granted tax exempt status pursuant to section 501 (c) (7) of the Internal Revenue Code may sell wine from the social club's inventory to the club's members for off premises consumption. Requires the liquor commission to waive any hearings, fees, notarization of documents, submission of floor plans and other governmental clearances, and other requirements for the issuance of a class 10 special license. Provides that the class 10 license granted for a fundraising event shall include the ability to auction off, at a live or silent auction, liquor in sealed or covered glass, ceramic, or metal containers or services that provide liquor. Prohibits background check to be required. Allows the commission to require proof of liquor liability insurance for the fundraising event and a current list of officers and directors if the applicant is a nonprofit organization. -- SB2612 CD1

- SB2646 SD1 HD3 CD1 (CCR 123-18) RELATING TO PRESCRIPTION DRUGS.

SENATE BILLS THAT PASSED THE LEGISLATURE

Introduced by: Baker R, Inouye L, Kidani M

Establishes provisions relating to prescriptions; additional restrictions. Prohibits a prescriber to prescribe a schedule II, III, or IV controlled substance without 1st requesting, receiving, and considering records of the ultimate user from the state electronic prescription accountability system as needed to reduce the risk of abuse of or addiction to a controlled substance, as needed to avoid harmful drug interactions, or as otherwise medically necessary. Exempts any prescription for a supply of 3 days or less that is made in an emergency situation, by an emergency medical provider, or in an emergency room; and any prescription written while the state electronic prescription accountability system is nonfunctional. Requires the administrator of the state electronic prescription accountability system to promptly disclose only the requested data to the requesting prescriber or the requesting prescriber's delegate. Provides that a violation shall not be subject to the penalty provisions relating to offenses and penalties under the uniform controlled substances act; provided that a violation may result in disciplinary action by the appropriate licensing authority. Act to be repealed on June 30, 2023 (sunset). -- SB2646 CD1

RELATING TO PUBLIC LANDS.

Introduced by: Kahele K, Galuteria B, Inouye L
Establishes provisions relating to Hilo Community Economic District. Allows the board of land and natural resources to modify or eliminate any of the restrictions, extend or modify the fixed rental period or the term of the lease upon approval by the board of a development agreement proposed by the lessee to make substantial improvements to the existing improvements or to construct new substantial improvements so long as the length of any extension granted does not extend the original lease term by more than 40 years, or extend the term and modify any provisions of the lease to the extent necessary to qualify the lease for mortgage lending or guaranty purposes with any federal mortgage lending agency; to qualify the lessee for any state or private lending institution loan, private loan guaranteed by the State, or any loan in which the State and any private lender participates; or to amortize the cost of substantial improvements to the demised

SENATE BILLS THAT PASSED THE LEGISLATURE

premises that are paid for by the lessee without institutional financing. Provides that prior to entering into a development agreement, the lessee or the lessee and developer to submit to the board the plans and specifications for the total development being proposed. Requires an extension of the fixed rental period or term of the lease to be based on the economic life of the substantial improvements as determined by the board or an independent appraiser. Allows the board, from time to time, during the term of any agriculture, intensive agriculture, aquaculture, commercial, mariculture, special livestock, pasture, hotel, resort, or industrial lease of public lands within the Hilo community economic district, to modify or eliminate any specified restrictions, extend or modify the fixed rental period of the lease, or extend the term of the lease upon a showing of specified significant economic hardship. Requires the applicant for any lease extension to pay all costs and expenses incurred by the department in connection with the processing, analyzing, and negotiating of any lease extension request and document and of the development agreement. -- Requires a lessee of public land within the Hilo community economic district that is classified as hotel, resort, or commercial and industrial use that is subject to the management, administration, or control of the board may, during the last 10 years of the term of the original lease, submit a written request to the board to initiate a request for interest process. Requires that within 180 days of a lessee's written request to initiate a request for interest, the board is to appraise the value of the land and any improvements to the land that existed as of the date of the written request and require the awardee of a new lease executed to reimburse the department for the appraisal; and publish a request for interest and request for qualifications notice inviting persons to express their interest in leasing the land and their qualifications as potential lessees and describing any improvements to the land that exist as of the date of the written request. Requires the board within 90 days after the closing date specified in the notice determine if any persons have qualified under the terms of the request for qualifications and to notify all persons who expressed interest as to whether they qualified. -- Requires a lessee of public land that is classified as commercial and industrial use and that is subject to the management, administration, or control of the board may, during the last 10 years of the term of the original lease, submit a written request to the board to initiate a request for interest process as provided under this law. Requires the department to review the pilot project established by this Act. Report to the legislature. Act to be repealed on June 30, 2028 (sunset). -- SB2058 CD1

SB3095 SD1 HD1 CD1 (CCR 154-18) RELATING TO ENVIRONMENTAL PROTECTION.

Introduced by: Ruderman R, Green J, Rhoads K

Establishes provisions relating to pesticide reporting and regulation program. -- Beginning January 1, 2019, every user of restricted use pesticides shall be subject to the requirement to submit to the department of agriculture, for departmental use, an annual report of all restricted use pesticides. -- Requires the department to produce a summary, for public disclosure, by county, that includes the total quantities used, by federal and state registrations or permit numbers, commercial product names, and active ingredients, for each restricted use pesticide used; and the amount of area in the county in which the restricted use application occurred. -- Prohibits person to apply a restricted use pesticide within 100 feet of a school, as measured from the outside perimeter of the proposed treated area up to the property line of the adjacent school, during school instructional hours; provided that this section is determined to conflict with any pesticide application information listed on the pesticide label, the more restrictive provision shall apply. --

SENATE BILLS THAT PASSED THE LEGISLATURE

Amends provisions relating to pesticide use revolving fund; pesticide training workshops; training fee. Provides that the funds include all penalties and fines collected by the department under provision relating to violations, warning notice, and penalties. Repeals the provision that provided that the use of moneys from the revolving fund for personnel costs shall be limited to those employees under the registration and education section of the department's pesticides branch. Increases the cap of the fund to 1 million dollars. -- Amends provisions relating to prohibited acts. Beginning January 1, 2019, prohibits use or apply any pesticide containing chlorpyrifos as an active ingredient; provides that the department shall grant to any person, upon request, a temporary permit authorizing the person, until December 31, 2021, to use or apply a pesticide containing chlorpyrifos as an active ingredient; the department shall publicly disclose the names of all persons applying for or granted a temporary permit and any person who violates shall be subject to a penalty. No later than July 1, 2019, the department of agriculture shall develop; a pesticide drift monitoring study to evaluate pesticide drift at 3 schools within the State. Report to the legislature. Appropriation. -- Appropriation for 2 full time equivalent (2.0 FTE) positions and for outreach and education. (\$\$) -- SB3095 CD1

Committee Reports: SSCR 2429 (AEN/ CPH/) SSCR 2579 (EDU/ WAM/) HSCR 1827-18 (FIN) CCR 154-18

- HB1873 HD1 SD1 CD1 (CCR 41-18) RELATING TO CONDOMINIUMS.
Introduced by: Takumi R, Ichiyama L
Amends provisions relating to cure of default. Requires that if the parties agree on a payment plan to cure the default, the notice of default and intention to foreclose shall be put on hold until the payment plan is complete. Provides that if the parties have agreed on a payment plan to prevent a foreclosure from proceeding, any fines the association imposes on the unit owner while the payment plan is in effect shall not be deemed a default under the payment plan. Provides that if the unit owner refuses to participate in mediation or defaults in the payment plan, or the parties are unable to resolve the dispute through mediation, the association may then commence foreclosure proceedings. Prohibits an apartment owner to withhold any common expense assessment claimed by the association. Allows an apartment owner who contests any penalty or fine, late fee, lien filing fee, or other charges included in the assessment, except common expense assessments, to demand mediation prior to paying those charges. -- Act to be repealed on June 30, 2020 (sunset). -- HB1873 CD1

HB2097 HD1 SD2 CD1 (CCR 116-18) RELATING TO LIFEGUARDS.

Introduced by: Yamane R, Lowen N, DeCoite L

Amends provisions relating to defense of state employees by adding county lifeguards. Requires the attorney general to defend any civil action or proceeding brought in any court against any person who is employed by a county as a lifeguard, designated to provide lifeguard services at a designated state beach park under an agreement between the State and a county, and acting within the scope of the county lifeguard's employment at a designated state beach park; provided that the attorney general shall have no obligation to defend when the civil action or proceeding results from a county lifeguard's gross negligence or wanton act or omission; provided further that the county lifeguard may employ an attorney, in lieu of the attorney general, to defend any civil action or proceeding brought in any court against the county lifeguard at the lifeguard's own expense. Further requires the attorney general to defend any civil action or proceeding brought in any court against a county based on an allegedly negligent or wrongful act or omission of persons who are employed by a county as lifeguards, designated to provide lifeguard services at a designated state beach park under an agreement between the State and a county, and acting within the scope of their employment as county lifeguards at a designated state beach park; provided that the attorney general shall have no obligation to defend when the civil action or proceeding results from a county lifeguard's gross negligence or wanton act or omission, or when claims are made against the county for its own negligence or wanton act or omission, or when claims are made against the county for its own negligence or wrongful acts or omissions. Appropriation for the department of land and natural resources division of state parks to contract with the counties for county lifeguard services at designated state beach parks under an agreement between the State and a county. Appropriation out of the special land and development fund for the department of land and natural resources division of state parks to contract with the counties for county lifeguard services at designated state beach parks under an agreement between the State and a county. HOUSE BILLS THAT PASSED THE LEGISLATURE

N, Morikawa D, Yamashita K, LoPresti M, McKelvey A, Nishimoto S, Mizuno J, DeCoite L

Establishes the sexual assault evidence collection kits law. Requires the department of the attorney general to establish a Hawaii sexual assault response and training team to consist of members who are directly involved with the use, management, and testing of sexual assault evidence collection kits, or are involved with, communicate with, or otherwise support sexual assault victims, including but not limited to the respective police departments of each county, the state or county Combined DNA Index System administrator, the respective prosecuting attorney departments of each county, and sexual assault service providers. Requires the Hawaii sexual assault response and training team to develop and maintain specific guidelines for all medical forensic examinations in the State, which shall be issued to all sex assault programs and centers, county contractors, and any other facilities that perform medical forensic examinations; protocol for collection of forensic evidence included within a sexual assault evidence collection kit; a statewide standard data set, including status and location information that all counties shall include in their respective sexual assault evidence collection kit tracking systems, standard policies and procedures for sex assault programs and centers, county contractors, and any other facilities that retain possession of sexual assault evidence collection kits under this chapter regarding proper preservation, transfer, tracking, and disposal of kits, required disclosures that shall be made to any person undergoing a medical forensic examination, including but not limited to the length of time a kit may be stored or retained, the point at which a kit may be disposed, and the person's ability to access the status of their kit through the appropriate county tracking system. Requires annual reports to be submitted to the legislature. Establishes provisions for annual statewide inventory and report of sexual assault evidence collection kits. Establishes provisions allowing unreported sexual assault evidence collection kits by a victim. Establishes provisions for the mandatory submission and resting requirements for sexual assault evidence collection kits. Requires each county to establish no later than January 1, 2020, a tracking system for sexual assault evidence collection kit. Allows a sexual victim the right to receive a medical forensic examination, regardless of whether the victim chooses to report the assault to a law enforcement agency. Amends provisions relating to DNA analysis monetary assessment; DNA registry. Requires that interest earned on any moneys in the fund to be used for the Hawaii sexual assault response and training program and costs related to testing and storage of sexual assault evidence collection kits. Appropriation out of the DNA registry special fund. (\$\$) -- HB2131 CD1

HB2454 HD1 SD1 CD1 (CCR 114-18)

RELATING TO HAWAII CORRECTIONAL INDUSTRIES.

HOUSE BILLS THAT PASSED THE LEGISLATURE

Introduced by: Takayama G

Established within the department of public safety a 3 year pilot project to be known as the correctional industries former inmate employment pilot project. Requires the administrator of the correctional industries program in consultation with the director of public safety, to provide full time equivalent (FTE) employment with Hawaii correctional industries for up to 5 former inmates who meet eligibility criteria developed by the director of public safety. Requires the department to provide oversight of the project. Requires the project to provide former inmates an opportunity for career advancement and necessary training and job skills so they may become economically self sufficient and productive members of society; provide for the safety of the former inmates, staff, and the community; be self funded by Hawaii correctional industries; pay for the former inmates a fair wage comparable to wages for similar work within the private sector; and serve the purposes of the correctional industries program. Requires the department to annually evaluate the effectiveness of the pilot project. Requires the department to request that the service providers that work directly with the former inmates in the project to collect and submit data on the conduct and efficacy of the project to the department every 6 project months for evaluation purposes and 12 months after the pilot project ends. Pilot project to cease to exist on July 1, 2021 (sunset). Annual reports to the legislature. -- HB2454 CD1

HB2589 HD2 SD1 CD1 (CCR 79-18)

RELATING TO MOTORCYCLES.

Introduced by: Aquino H

Establishes provisions relating to driving on designated shoulder; 2 wheeled motorcycles. Allows the department of transportation, in its sole discretion, to designate 1 or more shoulders upon which the department of transportation may authorize the driving of 2 wheeled motorcycles. Provides that any shoulder so designated shall be the shoulder of a roadway with at least 2 lanes for vehicular traffic moving in the same direction. Prohibits the department to authorize drivers of 2 wheeled motorcycles to maneuver their vehicles onto a shoulder unless vehicular traffic on the roadway is stopped as a result of

HOUSE BILLS THAT PASSED THE LEGISLATURE

a marked or unmarked intersection or congestion; the driving of 2 wheeled motorcycles upon a shoulder at any speed exceeding 10 miles per hour, or in a direction other than the direction of vehicular traffic in the adjacent roadway, or drivers of 2 wheeled motorcycles to make any turn from any shoulder. Allows the department to impose additional restrictions on the maneuvering and driving of 2 wheeled motorcycles onto and upon designated shoulders. Requires the department to clearly mark any designated shoulder with appropriate official traffic control device including traffic control devices that indicate the points along the shoulder at which 2 wheeled motorcycles may begin to enter the shoulder and shall begin to exit the shoulder and the maximum speed at which 2 wheeled motorcycles may be driven in the shoulder. -- Amends provisions relating to overtaking a vehicle on the left. Allows the driver of a 2 wheeled motorcycle to overtake a stopped vehicle by maneuvering onto and driving on a designated shoulder. -- Amends provisions relating to when overtaking on the right is permitted. Adds that the driver of a vehicle may overtake and pass upon the right of another vehicle. -- Amends provisions relating to driving on roadways laned for traffic. Provides that whenever a roadway has been divided into 2 or more clearly marked lanes for traffic, this provision shall not be construed to prohibit the maneuvering and driving of a 2 wheeled motorcycle onto and upon a designated shoulder. -- Amends provisions relating to opening and closing vehicle doors by adding protruding objects; line of travel. Prohibits a person to open a door of a motor vehicle or extend or allow any object to protrude out of or from a motor vehicle, or otherwise direct the course and line of travel of a motor vehicle, such that it interferes with or obstructs the movement of, or endangers the lives and safety of the driver or passenger of a 2 wheeled motorcycle that is maneuvering onto or driving on a designated shoulder. Act to be repealed on December 31, 2020 (sunset). -- HB2589 CD1

HB2729 HD2 SD2 CD1 (CCR 172-18) RELATING TO CANNABIS FOR MEDICAL USE.

Introduced by: Mizuno J, McKelvey A, Belatti D, Evans C, Brower T, Lee C, Nishimoto S

Amend provisions relating to uniform controlled substances act. Requires a qualifying out of state patient and a caregiver of a qualifying out of state patient to register with the department of health as established by rule. Limits the registration to be effective for no more than 60 days and may be renewed for no more than 1 additional 60 day period that begins no later than 12 months after the preceding registration date. Provides that the department shall not register any qualifying out of state patient for a period that exceeds the term of validity of the qualifying out of state patient's authority to use medical cannabis in the qualifying out of state patient's home jurisdiction. Requires a qualifying out of state patients to meet criteria for registration. Establishes registration or renewal fee. Redefines medical use to exclude cultivation or distribution of cannabis or paraphernalia by a qualifying out of state patient or the caregiver of a qualifying out of state patient. Redefines written certification to include that the department of health may allow for the validity of any written certification for up to 3 years if the qualifying patient's physician or advanced practice registered nurse states that the debilitating medical condition is chronic in nature. Permits the use of cannabis by a qualifying out of state patient aged 18 years or older legally authorized to use cannabis for medical purposes in another state, a US territory, or the District of Columbia under specified criteria. Exempts a qualifying out of state patient under 18 years of age under specified criteria. -- Amends provisions relating to registration requirements by adding qualifying patients; primary caregivers. Provides that this provision shall not apply to registration of a qualifying out of state patient or a caregiver of a qualifying out of state patient. -- Amends provisions relating to medical cannabis patient an caregiver protections and protection of cannabis and other seized property. Requires these sections to apply to qualifying patients, primary caregivers, qualifying out of state patients, and caregivers of qualifying out of state patients who are validly registered with the department of health. -- Amends provisions relating to fraudulent misrepresentation; penalty. Provides that fraudulent misrepresentation to the department of an entitlement to use cannabis for medical purposes in another state, a US territory, or the District of Columbia for the purpose of registering as a qualifying out of state patient or caregiver of a qualifying out of state patient shall be a misdemeanor. Requires the department to establish standards to include capacity to meet the needs of a qualifying out of state patients. -- Amends provisions relating to medical cannabis dispensary system law. Includes a qualifying out of state patient, or caregiver of a qualifying out of state patient. Provides that if a dispensary licensee obtains a laboratory result indicating that a sample of a batch of its cannabis or manufactured cannabis products does not meet the department's standards for patient safety, allows the dispensary licensee, at its own expense, to have the same

HOUSE BILLS THAT PASSED THE LEGISLATURE

sample or a different sample from the same batch retested by the same laboratory or a different laboratory. Further provides that if a retest at a different laboratory yields a different result, requires the department to determine which result shall determine which result controls whether the batch may be approved for sale or whether further testing shall be required. Allows a bona fide physician patient relationship and a bona fide advanced practice registered nurse patient relationship to be established via telehealth; provided that treatment recommendations that include certifying a patient for the medical use of cannabis via telehealth shall be allowed only after an initial in person consultation between the certifying physician or advanced practice registered nurse and the patient. -- Amends provisions relating to types of manufactured cannabis products.
